

HADP - Overview

S No	Clause	Stipulations
1	Name of the Project	Holistic Agriculture Development Programme (HADP)
2	Pattern of Assistance / subsidy from Government	Subsidy will be backended only whether credit linked or if beneficiary does not avail any credit
3	Pattern of release of subsidy	Subsidy will be released as backended after ascertaining substantial progress in the project through DBT only in case where credit is not required; in case of credit, subsidy will be released in loan account with a lock in period of 3 years
4	Moratorium	Moratorium period may be decided by the bank as per the quantum of loan and the business plan of the project wherever required. However, if credit is dovetailed with interest subvention scheme, then the moratorium period as specified in the corresponding interest subvention scheme shall be applied
6	Repayment Period	Repayment period shall be 8 years subject to quantum of loan. For loans less than 2 Lakhs the repayment period shall be 5 years
7	Lock in Period	3 years - as per the guidelines of RBI
8	Collateral Security	The collateral security shall be applicable as per the directives of RBI or as per the requirement of dovetailed credit scheme
9	Other Terms & Conditions	No duplication of activities is allowed. Any beneficiary who has availed same benefit under any other scheme/ program is not eligible to avail benefit under HADP. The convergence with any interest subvention scheme which allows such convergence can be undertaken. Applicant is allowed to apply for more than one activity within each HADP project or beneficiary oriented activities in different HADP projects with condition that no duplication of activities or similar benefit is availed and wherever each individual project allows such benefits
10	Process Flow of cases sponsored under the Scheme	In cases where credit is required the HoDs will forward the cases or sponsor the cases to respective bank branch as per the existing flow of applications on Kisan Sathi portal. No offline credit linked case under HADP shall be accepted. However, banks may demand documents as per the requirements/ RBI guidelines/ check list of banks directly from the beneficiary or may seek change in DPR wherever required to respective HoDs.

Project - Activity Map

Project No	Project Name	Activity Name
1	Development of Seed and Seed Multiplication chain in PPP mode	Application for Registration of CSP - Individual
1	Development of Seed and Seed Multiplication chain in PPP mode	Application for Registration of CSP - Organizational
1	Development of Seed and Seed Multiplication chain in PPP mode	Application for establishment of Seed Processing Unit
1	Development of Seed and Seed Multiplication chain in PPP mode	Application for establishment of Polyhouses
2	Promotion of Niche crops in UT of J&K	Application form for Production of Planting Material of Niche Crops
2	Promotion of Niche crops in UT of J&K	Application form for Area expansion of Niche Crops
3	Promotion of Vegetables/exotic vegetables under open & hi-tech protected cultivation	Application Form for Open Field Vegetable Production
3	Promotion of Vegetables/exotic vegetables under open & hi-tech protected cultivation	Application for Hi-Tech Protected Cultivation of Vegetable Crops
3	Promotion of Vegetables/exotic vegetables under open & hi-tech protected cultivation	Application for Low Cost Protected Cultivation of Vegetable Crops

4	Strengthening Agri-Marketing System in UT of J&K	Application form for CA/Cold stores
4	Strengthening Agri-Marketing System in UT of J&K	Application form for HiTech/portable grading lines
4	Strengthening Agri-Marketing System in UT of J&K	Application form for FPO
4	Strengthening Agri-Marketing System in UT of J&K	Application form for Reefer Vans/Pick-up Vans
4	Strengthening Agri-Marketing System in UT of J&K	Application for creation of Rural Business and Service Hubs (RBSHs)
5	Promotion of medicinal/aromatic plants on commercial basis	Application for establishment of MAP cultivation units
6	Promotion of Apiculture	Application for availing Bee Colonies (one unit comprises 35 bee colonies @ 4000/colony)
6	Promotion of Apiculture	Application for Establishing Honey Processing units
6	Promotion of Apiculture	Application for Establishing Apiculture Equipment Manufacturing Unit
6	Promotion of Apiculture	Application for Establishing CHCs
6	Promotion of Apiculture	Application for Honey Collection/ Storage / marketing/ information/ technical centres
7	Technological interventions to strengthen Sericulture in J&K	Development of Mulberry plantation at Stakeholders Level
7	Technological interventions to strengthen Sericulture in J&K	Construction of Rearing house (460 Sq
7	Technological interventions to strengthen Sericulture in J&K	Establishment of Silk Reeling Units
8	Promotion of Nutri cereals (Millets)	Application for Establishment of Millet Mills
8	Promotion of Nutri cereals (Millets)	Application for Establishment of Millet Restaurant
9	Farm mechanization and automation	Application for Establishment of Custom Hiring Center
9	Farm mechanization and automation	Application for Establishment of Farm Machinery Banks
9	Farm mechanization and automation	Application for availing Farm Machinery
10	Promotion of mushroom cultivation	Application for Establishment of Pasteurized Compost Making Unit (15 MT)
10	Promotion of mushroom cultivation	Application for Establishment of controlled conditioned cropping rooms (40*18*16) without PA
10	Promotion of mushroom cultivation	Application for Establishment of Spawn Production Labs 2 MT
10	Promotion of mushroom cultivation	Application for Establishment of Mushroom Sheds (16*25*12 ft)
10	Promotion of mushroom cultivation	Application for availing Pasteurized Compost Bags
10	Promotion of mushroom cultivation	Application for Establishment of Mushroom Canning Unit
10	Promotion of mushroom cultivation	Application for Availing Processing and Packaging Equipment
10	Promotion of mushroom cultivation	Application for solar dryer
10	Promotion of mushroom cultivation	Application form for Revolving Fund for promotion of WSHG
11	Promotion of Oilseeds	Application for Farm Machinery & Equipments
11	Promotion of Oilseeds	Application for Irrigation Infrastructure
11	Promotion of Oilseeds	Application for Oil Mills with filter press
11	Promotion of Oilseeds	Application for Extractor Oil Seed
12	Formulation of 300 FPOs	Application for FPO Registration

13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for improved crop seed etc
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for boundary plantation
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for fruit Plantation
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for Fodder slips/perennial grasses and legumes round the year
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for vegetable seeds
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for Animal health camps
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application forms for requirements for AI
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for mineral mixture
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for poultry birds
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for repair of poultry sheds
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for low Cost portable for vermicompost infra
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for spawn of mushroom
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for micro irrigation/water harvesting/inter linking roads, Ponds and Biogas
13	Adoption & promotion of integrate farming system (IFS) /Integrated Livelihood systems (ILS) in UT of J&K	Application form for Bee hives with colonies
14	Promotion of commercial floriculture in UT of J&K	New nursery unit
14	Promotion of commercial floriculture in UT of J&K	Strengthening of existing nurseries
14	Promotion of commercial floriculture in UT of J&K	Post Covid Revival of Sick floriculture units
14	Promotion of commercial floriculture in UT of J&K	Protected Cultivation
14	Promotion of commercial floriculture in UT of J&K	Area expansion under Aromatic Plants (open)

14	Promotion of commercial floriculture in UT of J&K	Area expansion in Loose flowers
14	Promotion of commercial floriculture in UT of J&K	Area expansion under bulbous flower production (open)
14	Promotion of commercial floriculture in UT of J&K	Area expansion under annual flower seed production (open)
15	Development of rain fed areas of J&K	Application for Water Storage Structures(Storage Tanks,Portable Geo Tanks,Poly Tanks,Flexi Water Tanks)
15	Development of rain fed areas of J&K	Application for Roof-top Rain Water Harvesting Structures
15	Development of rain fed areas of J&K	Application for Irrigation Infrastructures(Bore Well,Micro-irrigation Systems)
15	Development of rain fed areas of J&K	Application for Custom Hiring Centers(CHCs)
15	Development of rain fed areas of J&K	Application for Grain Storage Structures
15	Development of rain fed areas of J&K	Application for Village Seed Banks(VSBs)
15	Development of rain fed areas of J&K	Application for Compost/Vermi-compost Units
15	Development of rain fed areas of J&K	Application for Small Agro-proceisiing(post-harvest handling & value addition) Units
15	Development of rain fed areas of J&K	Application for Goat,Sheep and Backyard Poultry Units
16	Alternate Agriculture System for sustainability	Establishment of Commercial vermicompost Unit
16	Alternate Agriculture System for sustainability	Establishment of Low Cost Vermicompost Unit
17	Sensor based smart Agriculture	Application for Smart Agri Startup Skilling
18	Minimizing pesticide use in Agriculture	Application Form for Establishment of Model Apple Orchard in Clusters
18	Minimizing pesticide use in Agriculture	Application Form for Skill Development in Bio-Pesticide
19	J&K soil & land resource information system	Establishment of Static or Mini Soil Testing Laboratory
21	Production of Designer Plants for promotion of HD plants and rejuvenation of orchards	Application for establishment of HD Nursery
21	Production of Designer Plants for promotion of HD plants and rejuvenation of orchards	Application for establishment of Mother Block Unit
21	Production of Designer Plants for promotion of HD plants and rejuvenation of orchards	Application for establishment of Root Stock Bank
21	Production of Designer Plants for promotion of HD plants and rejuvenation of orchards	Application for establishment of polyhouse cultivation
21	Production of Designer Plants for promotion of HD plants and rejuvenation of orchards	Application for rejuvenatnation of existing orchards
22	UT level food processing program for development of clusters for specific products of J&K	Application for selection of Implementing Agencies/Private Players/FPOs
23	Dairy Development in J&K	Application for Heifer Production Unit
23	Dairy Development in J&K	Application for Assistance to Milk SHGs/FPOs
23	Dairy Development in J&K	Application for Assistance to Milk Value Addition Startups
24	Reorienting priorities: Self-sufficiency in mutton production in J&K	Application form for establishment of sheep/goat farm (commercial)
24	Reorienting priorities: Self-sufficiency in mutton production in J&K	Application form for Common Facilitation Centres (CFCs)

24	Reorienting priorities: Self-sufficiency in mutton production in J&K	Application form for Construction of Infrastructure at Highland Pastures
25	Roadmap for poultry development in J&K	Application for Establishment of Composite Broiler Parent Farm cum Hatchery and Feed Mill
25	Roadmap for poultry development in J&K	Application for establishment of Feed Manufacturing Unit
25	Roadmap for poultry development in J&K	Application for Establishment of Commercial Layer Farm
25	Roadmap for poultry development in J&K	Application for establishment of LIT Mother Unit
25	Roadmap for poultry development in J&K	Application for establishment of free range unit
25	Roadmap for poultry development in J&K	Application for Getting Assistance for FPOs
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Establishment of Fisheries units (Individual)
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Establishment of Fisheries units (Organisation)
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Establishment of Cold Storage/ Ice Plant (Individual)
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Establishment of Cold Storage/ Ice Plant (Organisation)
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Procurement of Refrigeration vehicle (Individual)
26	Technological Interventions for Fish Seed and Trout Production in UT of J&K	Procurement of Refrigeration vehicle (Organisation)
27	Promotion of wool/pelt processing and marketing	Application for Assistance to FPOs dealing with aggregation, value processing and marketing for wool & pelt
28	Development of fodder resources for UT of J&K	Application for of varietal demonstration plot
28	Development of fodder resources for UT of J&K	Application for Establishment of fodder processing unit
28	Development of fodder resources for UT of J&K	Application for Establishment of Hydroponic unit
28	Development of fodder resources for UT of J&K	Application for Establishment of Fodder Depots
28	Development of fodder resources for UT of J&K	Application for Fodder Production in orchard
29	<i>Support to Human Resource Development for Technological backstop for Sustainable and Accelerated Transformation of Agriculture</i>	<i>Application for assistance under Vice Chancellors flexi fund</i>

1. Development of Seed and Seed Multiplication chain in PPP mode

Purpose

- 500 CSP's/ SPO's are created engaging 12000 Primary Seed Producers through contract farming
- 20,000 employment generation of unemployed youth through seed producing organizations/primary seed producers
- Significant improvisation of SRR, VRR & SMR to fulfill required seed deficit of 2.60 Lakh qtls as per SRR
- Seed sufficiency with overall returns at farmer's level of Rs. 2378.00 Cr

Name of the Activity		Application for Registration of CSP - Individual
S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of incentive is 01 Kanal Upper age limit for applying under the scheme/activity none Minimum educational qualifications for availing assistance under scheme none for individuals
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur, SHGs/ FIGs/Co operatives/FPOs / Joint Liability Groups(JLGs) Seed Producing Organizations (SPOs) & Private Seed Companies
3	Unit Cost	NA
4	Maximum Project Cost	Rs. 50 Crore for individuals and organizations
5	Percentage of Subsidy (Government Contribution)	NA
6	Beneficiary Contribution	NA
7	Financial Incentive	Certified seed producers & seed producer organisations will be given incentives: Rs. 1000 per quintal for vegetable crops, Rs. 500 per quintal for field crops, Rs. 950 per quintal for groundnut and soybean, pulse, Rs. 750 per quintal for fodder crops, and Rs. 850 for oil seeds, Rs. 850 for millets, Rs. 1000 per quintal for floriculture crops.
8	Documents required	Bank Account Details DPR in case of Bank assistance is sought CSP Document Details of Land aimed to be for Certified Seed Production Program Document Original consent letter of the owner of the land who is the family member of an individual applying for CSP registration Document Declaration regarding family member attached Revenue Record of the enlisted land Address Proof like Aadhar Card
9	Convergence with CSS	Credit cannot be availed under AIF for this activity

Name of the Activity		Application for Registration of CSP - Organizational
S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of incentive is 01 Kanal Upper age limit for applying under the scheme/activity none Minimum educational qualifications for availing assistance under scheme none for individuals and 10th Pass for organizations
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur, SHGs/ FIGs/Co operatives/FPOs / Joint Liability Groups(JLGs) Seed Producing Organizations (SPOs) & Private Seed Companies
3	Unit Cost	NA
4	Maximum Project Cost	Rs. 50.0 Crore for Individual and organizations
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Certified seed producers & seed producer organisations will be given incentives: Rs. 1000 per quintal for vegetable crops, Rs. 500 per quintal for field crops, Rs. 950 per quintal for groundnut and soybean, pulse, Rs. 750 per quintal for fodder crops, and Rs. 850 for oil seeds, Rs. 850 for millets, Rs. 1000 per quintal for floriculture crops.

8	Documents required	Bank Details Authority Letter for the responsible person from the organisation Pan Card No & GSTIN Seed Sales License Document CSP Document Details of staff employed for certified seed production program Details of the previous year's certified seed production program Details of the next year's certified seed production program Details of infrastructure available with the organization
9	Convergence with CSS	Credit cannot be availed under AIF for this activity

Name of the Activity	Application for establishment of Seed Processing Unit
----------------------	---

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 01 Kanal Upper age limit for applying under the scheme/activity none Minimum educational qualifications for availing assistance under scheme none for individuals and 10th Pass for organizations
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur, SHGs/ FIGs/Co operatives/FPOs / Joint Liability Groups(JLGs) Seed Producing Organizations (SPOs) & Private Seed Companies
3	Unit Cost	Rs. 1 Crore
4	Maximum Project Cost	Rs. 1 Crore
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the cost of the seed processing unit not exceeding Rs. 50 lakhs under SMSP in PPP Mode, whichever is lesser, will be given as a credit-linked subsidy. Furthermore, short-term credit can be availed through Kisan Credit Card.
8	Documents required	Address Proof Survey/ Khasra No. Details of Land Registration Document of Lease/ Tenancy/ Contract with the Competent Registration Authority Bank Details DPR in case of Bank assistance is sought
9	Convergence with CSS	Credit can be availed under the AIF for establishing a Seed Processing Unit.

Name of the Activity	Application for establishment of Polyhouses
----------------------	---

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 01 Kanal Upper age limit for applying under the scheme/activity none Minimum educational qualifications for availing assistance under scheme none for individuals and 10th Pass for organizations
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur, SHGs/ FIGs/Co operatives/FPOs / Joint Liability Groups(JLGs) Seed Producing Organizations (SPOs) & Private Seed Companies
3	Unit Cost	Rs. 2 Lakhs
4	Maximum Project Cost	Rs. 2 Lakhs
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	Subsidy of up to Rs. 1 Lakh can be availed for setting up Vegetable Seed Polyhouse under HADP.
8	Documents required	Address Proof Survey/ Khasra No. Details of Land Registration Document of Lease/ Tenancy/ Contract with the Competent Registration Authority Bank Details DPR in case of Bank assistance is sought
9	Convergence with CSS	Credit can be availed under the AIF for establishing a Vegetable Seed Polyhouse Furthermore, short-term credit can be availed through Kisan Credit Card.

2. Promotion of Niche Crops in J&K

Purpose

- 2159 MT of quality planting material, 40000 plants and 10 Cr. seedlings
- Employment creation for 7750 Farmers in PPP Mode.
- Exchequer of Rs. 2238 Cr.
- High product quality
- Market accessibility and high returns leading to socio-economic up-liftment of farmers
- HRD for producing skilled and trained human resource

Name of the Activity		Application form for Production of Planting Material of Niche Crops
S No	Clause	Stipulations
1	Eligibility	Land Requirement Saffron (2 kanals) Kalazeera (1 kanal) Kashmiri Lal Chilli (1 kanal) Mushkibudji (65 kanals) Red Rice (65 kanals) Baderwah Rajmash (114 kanals) Hill Garlic (7.5 kanals) Pecanut (20x60 sq. ft polyhouse)
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs / Joint Liability Groups(JLGs) Registered Nurseries
3	Unit Cost	Fixed incentive per quintal of planting material
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Incentives will be provided for the procurement of planting materials as follows: Saffron corms @ Rs. 20000/q Kalazeera tubers @ Rs. 100000/q Chilli seedlings @ Rs. 0.40/seedling Pecanut plants @ Rs. 200/plant Baderwah Rajmash seed @ Rs. 25000/q Hill garlic bulbs @ Rs. 12000/q Mushkibudji seed @ Rs. 6500/q, Red rice seed @ Rs. 6500/q
8	Documents required	Address Proof Copy of PAN/GSTN Land Details Land Revenue Record Detailed Project Report Details of Land aimed to be for Certified Seed Production Program Document Original consent letter of the owner of the land who is the family member of an individual applying for CSP registration Document Declaration regarding family member attached
9	Convergence with CSS	Along with the mentioned incentives, credit can be availed under AIF, MIDH and PMKSY for establishing Nurseries/Seed villages of Niche Crops under HADP.

Name of the Activity		Application form for Area expansion of Niche Crops
S No	Clause	Stipulations
1	Eligibility	Saffron in District Kupwara, Baramulla, Ganderbal, Bandipora, Kulgam, Shopian, Anantnag, Doda, Ramban, Poonch, Rajouri, Udhampur, Reasi Kalazeera in District Bandipora, Kishtwar, Pulwama Kashmiri Lal Mirch in District Anantnag, Kulgam, Kupwara Peacnut in District Doda, Rajouri, Poonch, Kishtwar Baderwah Rajmash in District Kishtwar, Kathua, Poonch, Rajouri, Doda Hill Garlic in District Jammu Samba, Kathua, Udhampur Mushkibudji in District Anantnag, Kulgam and Kupwara Red Rice in District Anantnag, Baramulla, Kupwara and Budgam

2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs / Joint Liability Groups(JLGs)
3	Unit Cost	Fixed incentive per kanal of land
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Saffron 2.5 q/kanal, Kalazeera @ 12500 tubers/Kanal, Kashmiri Lal Chilli @ 5000 seedlings/kanal, Pecanut @ 5 plants/kanal, BaderwahRajmash @ 1.0 kg/kanal, Hill garlic @ 30.0 kg/kanal, Mushkibudji @ 4.0 kg/kanal, Red rice @ 4.0 kg/kanal
8	Documents required	Address Proof Land Details Land Revenue Record Detailed Project Report Details of Land aimed to be for Certified Seed Production Program Document
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for increasing area under cultivation of niche crops.

3. Promotion of Vegetable/ Exotic Vegetables under Open & Hi-tech Protected Cultivation

Purpose

- Production shall increase from the present 1991.25 (000'MT) to 2587.50 (000' MT) with an increase of 30 %.
- Deficit shall decrease from the present -318.26 (000'MT) to a surplus of 68.71 (000' MT)
- Value of Produce to increase to Rs. 3982.50 Cr to Rs. 8021.25 Cr with an increase of 17%.
- Employment Generation 47244 persons

Name of the Activity		Application Form for Open Field Vegetable Production
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for increasing area under open-field vegetable cultivation under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs / Joint Liability Groups(JLGs) Agripreneurs
3	Unit Cost	Fixed incentive defined per hectare of land
4	Maximum Project Cost	Fixed incentive defined per hectare of land
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Incentives will be provided for the procurement of seed and planting materials @Rs. 4000/ha under MIDH
8	Documents required	Aadhar Card Survey / Khasra No. Category Certificate (if any) Land Details Detailed Project Report
9	Convergence with CSS	Along with the mentioned incentives, credit can be availed under KCC for increasing area under open field vegetable cultivation under HADP.

Name of the Activity		Application for Hi-Tech Protected Cultivation of Vegetable Crops
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for Hi-Tech Protected Cultivation of Vegetables under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs / Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 21.68 Lakhs
4	Maximum Project Cost	No cap

5	Percentage of Subsidy (Government Contribution)	95%
6	Beneficiary Contribution	5%
7	Financial Incentive	95% subsidy on the total unit cost will be given for the establishment of Hi-tech Green House (500 sq.m.). The total unit cost of such hi-tech greenhouse would be Rs.21.68 lakhs.
8	Documents required	Aadhar Card Survey / Khasra No. Category Certificate (if any) Land Details Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for Hi-Tech Protected Cultivation of Vegetables through Greenhouses. Moreover, they can avail credit under AIF.

Name of the Activity		Application for Low Cost Protected Cultivation of Vegetable Crops
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for Protected Cultivation of Vegetables under HADP
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs / Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 2 Lakhs
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	95%
6	Beneficiary Contribution	5%
7	Financial Incentive	95% subsidy on the total unit cost will be given for the establishment of Hi-tech Green House (500 sq.m.). The total unit cost of such low-tech polyhouse would be Rs.2 lakhs.
8	Documents required	Aadhar Card Survey / Khasra No. Category Certificate (if any) Land Details Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for Protected Cultivation of Vegetables through Greenhouses. Moreover, they can avail credit under AIF.

4. Strengthening Agricultural Marketing in J&K

Purpose

- Increase in farmers' income from 45% to 90%.
- Minimize the value loss by 20% to 50%.
- Improve in off-season availability of fruits and vegetables
- Value creation (25% to 75%)
- Investment will bring more income, value output and employment

Name of the Activity		Application form for CA/ Cold Stores
S No	Clause	Stipulations
1	Eligibility	<p>CA Store</p> <p>The minimum quantum of land required for availing of incentive is 10-14 Kanal Upper age limit for applying under the scheme/activity: None Minimum educational qualifications for availing assistance under scheme: None Restriction on the gender of the applicant: None</p> <p>Cold Store</p> <p>The minimum quantum of land required for availing of the incentive is 2-3 Kanal Upper age limit for applying under the scheme/activity none Minimum educational qualifications for availing assistance under scheme: none</p>

2	Who can Apply?	Individual / Group of Individuals/ SHGs/ FPOs/ Cooperatives, Agri-Startups/Institution/ Organization/ Fruit grower or mandi associations
3	Unit Cost	CA Store: 30 Cr; Cold Store: 50 lakh
4	Maximum Project Cost	No cap for availing credit
5	Percentage of Subsidy (Government Contribution)	CA Store: 75% (Effectively 50% considering financial cap under CSS-MIDH) Break up: 50% under CSS (MIDH) subject to maximum of 7.5 Cr for 5000 MT, 25% UT Capex Cold Store: 75% Break up: 50% under CSS (MIDH) subject to Rs 4000/MT, 25% UT Capex
6	Beneficiary Contribution	25% subject to MIDH norms for central Assistance
7	Financial Incentive	NA
8	Documents required	CA Store /Cold Stores Bank Account Details DPR Land document Affidavit for not availing subsidy from any other Govt Scheme for the same unit/project Approved Drawing/Map of the Building(CA/Cold Stores) NOC/Consent from Pollution Control Board/PDD/Jal Shakti Address proof like Aadhar Registration of Firm/Company/FPO/Association/Cooperative/SHG/FIG/Others as the case may be DIC registration certificate, wherever applicable.
9	Convergence with CSS	AIF

Name of the Activity		Application form for HiTech/ portable grading lines
-----------------------------	--	--

S No	Clause	Stipulations
1	Eligibility	Portable Grading Line The minimum quantum of land required for availing of the incentive is none Upper age limit for applying under the scheme/activity: None Minimum educational qualifications for availing assistance under scheme: None Restriction on the gender of the applicant: None. Hi tech Grading Line The minimum quantum of land required for availing of the incentive is 2-3 Kanals Upper age limit for applying under the scheme/activity: None Minimum educational qualifications for availing assistance under scheme: None Restriction on the gender of the applicant: None
2	Who can Apply?	Individuals/ Group of Individuals/ SHGs/ FPOs/ Cooperatives/ unemployed educated technical youth/ RBSHs/ Agri-Startups/ Institution/ Organization/ Fruit grower/ mandi associations
3	Unit Cost	Portable Grading Line: 5 lakh Hi Tech Grading Line : 05 Cr
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	Hi tech - 75% (50% CSS (MIDH) subject to 37.50 Lakh per line; 25% UT capex) Portable - 50%
6	Beneficiary Contribution	Hi tech - 25% Portable - 50% subject to CSS-MISH ceiling norms
7	Financial Incentive	NA
8	Documents required	Address Proof Land document Bank Details DPR Registration details of the organisation, wherever applicable
9	Convergence with CSS	AIF

Name of the Activity	Application form for Reefer Vans/Pick-up Vans
-----------------------------	--

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive: Not applicable Upper age limit for applying under the scheme/activity: None Minimum educational qualifications for availing assistance under scheme: None Restriction on the gender of the applicant: None
2	Who can Apply?	Individuals/ Group of Individuals/ SHGs/ FPOs/ Cooperatives/ Agri-Startups/ Institution/ Organization/ Fruit grower or mandi associations.
3	Unit Cost	Reefer Van : 25 Lakh Pick Up Van : 12 lakh
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	Reefer van - 75% (50% CSS-MIDH ; 25% UT Capex) MIDH assistance is to the tune of 13.00 lakh; Pick up van - 50% (UT Capex)
6	Beneficiary Contribution	Reefer van - 25% Pick up van - 50%
7	Financial Incentive	NA
8	Documents required	Aadhar Card Driving License Bank Details DPR Registration details of the organisation
9	Convergence with CSS	AIF

Name of the Activity		Application for creation of Rural Business and Service Hubs (RBSHs)
----------------------	--	---

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive: Adequate land for catering to the services in the proposed cluster Infrastructure requirement for the establishment of RBSH: Adequate space for catering to the services Upper age limit for applying under the scheme/activity: None Minimum educational qualifications for availing assistance under scheme: None Restriction on the gender of the applicant: None
2	Who can Apply?	Individuals/ Group of Individuals/ SHGs/ FPOs/ Cooperatives/ Agri-Startups/ Institution/ Organization/ Fruit grower /mandi associations/technical graduates/agriculture & horticulture and allied graduates
3	Unit Cost	30 lakh
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	50% (UT Capex)
6	Beneficiary Contribution	50%
7	Financial Incentive	NA
8	Documents required	Aadhar Card Land document Bank Details DPR Registration details of the organisation
9	Convergence with CSS	NA

5. Promotion of Medicinal / Aromatic Plants on Commercial Basis

Purpose

- Enhanced QPM production & Economy (Negligible to 74.76 Cr by 2027)
- Enhanced agricultural income from (30-40% of farmers)
- Waste/Fallow Land forms 129 th ha of UT area. Out of this 2% utilization of cultivable wasteland
- Efficient value chain (28 Farmer Producer Clusters)
- Trained manpower and skilled youth (3000 youth & Agri-preneurs)
- Strengthening R&D 15-20% enhanced production and quality)

Name of the Activity	Application for establishment of MAP cultivation units
----------------------	--

S No	Clause	Stipulations
1	Eligibility	The assistance shall be given to individuals with a minimum land holding of 3.0 ha. of land.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur, SHGs/ FIGs/Co operatives/FPOs / Joint Liability Groups(JLGs) Seed Producing Organizations (SPOs) & Private Seed Companies
3	Unit Cost	Distribution of planting material. Does not involve financial incentive
4	Maximum Project Cost	Distribution of planting material. Does not involve financial incentive
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Incentive	Incentives for the cultivation of Medicinal & Aromatic Plants will be provided from NMPB/JKMPB/others.
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Land Details Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under KCC for strengthening of existing nurseries under HADP.

6. Promotion of Bee Keeping

Purpose

- Advance research & development in the field of Apiculture
- Strengthening Production & Growth through cluster formation (SHGs/FPOs)
- Using IT equipment & Setting of GIS Labs for Monitoring & Traceability
- Bee-preneurship/Bee-startups & PHM
- Promotion of Bee Flora/ Pollination nurseries/ Bee gardens

Name of the Activity		Application for availing Bee Colonies (one unit comprises 35 bee colonies @ 4000/colony
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for availing bee colonies under HADP
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs) Beekeepers
3	Unit Cost	Rs.1.40 lakhs
4	Maximum Project Cost	Rs.1.40 lakhs
5	Percentage of Subsidy (Government Contribution)	80%
6	Beneficiary Contribution	20%
7	Financial Incentive	<p>Establishment of new beekeeping units: 80% assistance shall be provided by distributing bee colonies to farmers with one unit comprising 35 bee colonies @ 4000/colony).</p> <p>Strengthening of existing bee-keeping units: 40% subsidy for bee hives and bee colonies and accessories shall be provided to beekeepers.</p> <p>Distribution of specialized beekeeping equipment: 40% subsidy for specialized equipment to beekeepers</p> <p>Migratory beekeeping: For 50 colonies for a maximum distance of 300 KMs. 50% incentive will be given to beekeepers to promote migration for maximum harvest.</p>
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for beekeeping

Name of the Activity		Application for Establishing Honey Processing units
S No	Clause	Stipulations
1	Eligibility	Building having 400sq.ft area

2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs) Beekeepers
3	Unit Cost	Rs.5.00 lakhs
4	Maximum Project Cost	Rs.5.00 lakhs
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy for establishing honey processing units
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	Farmers can avail credit under Kisan Credit Card for establishing honey processing units.

Name of the Activity		Application for Establishing Apiculture Equipment Manufacturing Unit
S No	Clause	Stipulations
1	Eligibility	Building/shed having roof area of 400-500 sq. Mtr is required.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs) Beekeepers
3	Unit Cost	Rs.5.00 lakh
4	Maximum Project Cost	Rs.5.00 lakh
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy for establishing Apiculture Equipment Manufacturing Unit.
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for establishing Apiculture Equipment Manufacturing Unit.

Name of the Activity		Application for Establishing CHCs
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for establishing custom hiring centers (CHCs) for pollination under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs) Beekeepers
3	Unit Cost	Rs.2.00 lakh
4	Maximum Project Cost	Rs.2.00 lakh
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as subsidy on the basis of Sub Mission on Agricultural Mechanization (SMAM) guidelines for establishing custom hiring centers (CHCs) for pollination services.
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for establishing custom hiring centers (CHCs) for pollination.

Name of the Activity		Application for Honey Collection/ Storage / marketing/ information/ technical centres
S No	Clause	Stipulations
1	Eligibility	Building/shed having roof area of 400-500 sq. Mtr is required.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs) Beekeepers
3	Unit Cost	Rs.5.00 lakhs
4	Maximum Project Cost	Rs.5.00 lakhs
5	Percentage of Subsidy (Government Contribution)	50%

6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy for establishing Honey collection/Storage/Marketing.
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for establishing Honey Collection/Storage/Marketing.

7. Technological Interventions to Strengthen Sericulture in UT of J&K

Purpose

- Enriching the availability of improved mulberry variety saplings for replacement of old and low yielding Mulberry varieties.
- Ensuring Cocoon crop stability and yield.
- Doubling the annual silkworm seed production capacity of the UT.
- Assured market chain for cocoon production and production of international grade raw silk.

Name of the Activity		Development of Mulberry plantation at Stakeholders Level
S No	Clause	Stipulations
1	Eligibility	The person/s should have land holding available for plantaion either owned or leased or community land for establishing Mulberry Plantation under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed youth, Agripreneur, SHGs/FIGs/cooperatives/FPOs/Joint Liability Groups (JLGs), Serifarmers
3	Unit Cost	Rs. 70
4	Maximum Project Cost	Fixed incentive on Plantation of Mulberry saplings.
5	Percentage of Subsidy (Government Contribution)	90%
6	Beneficiary Contribution	10%
7	Financial Incentive	Along with high yielding Mulberry saplings varieties remuneration of Rs. 70 per plant for a maximum of 300 plants on pro rata basis for pit digging transplantation and maintenance of the host plant. The incentive shall be disbursed in two installments subject to full survial of the plantation.
8	Documents required	Address proof Aadhar Number Pan Number Land Revenue Record Bank Details Geo tagged Photographs of location
9	Convergence with CSS	Credit cannot be availed under CSS schemes for developing Mulberry plantation under HADP.

Name of the Activity		Construction of Rearing house (460 Sq. Ft. Floor area)
S No	Clause	Stipulations
1	Eligibility	The farmer should be registered with the Sericulture Development Department and always the longest period of association with the department will be considered for selections. The benefits given for establishing separate Rearing House are limited to specific targeted districts.
2	Who can Apply?	Silk worm Rearers,Individuals - Farmer, Unemployed youth, Agripreneur, SHGs/FIGs/cooperatives/FPOs/Joint Liability Groups (JLGs).
3	Unit Cost	Rs. 2.15 lakh (Including Rearing Equipments worth Rs. 0.40 lakh)
4	Maximum Project Cost	No upper ceiling limit for availing credit.
5	Percentage of Subsidy (Government Contribution)	90%
6	Beneficiary Contribution	10%
7	Financial Incentive	90% subsidy will be given for establishment of such Silkworm Rearing Houses and subsidy shall be disbursed in three installments(Plinth level, wall level and final completion stage) to the satisfaction of the designated Departmental Committee

8	Documents required	Address proof Aadhar Number PAN card Land Revenue Record Bank Details Geo-tagged Photographs of site selected for construction
9	Convergence with CSS	Farmers can avail credit under Kissan Credit Cards and AIF for establishing Silkworm Rearing House under HADP.

Name of the Activity		Establishment of Silk Reeling Units
S No	Clause	Stipulations
1	Eligibility	The benefits for establishing Reeling Unit under HADP shall be as per Silk Samagra-2 guidelines of the Govt. of India.
2	Who can Apply?	Silk worm Rearers, Individuals - Farmer, Unemployed youth, Agripreneur, SHGs/FIGs/cooperatives/FPOs/Joint Liability Groups (JLGs).
3	Unit Cost	Depending upon the selection of Reeling Machinery. For establishment of Multi-end Reeling Machinery Unit (10 Ends) of Rs.20.76 Lakh. For Establishment of Silk Twisting Unit at Rs 11.90 Lakh. For establishment of Automatic Reeling Unit (120 ends) at a Unit cost of Rs 39.15 Lakh (200ends) at a Unit cost of Rs 85.90 Lakh Any other Silk Reeling related machinery approved by CSB.
4	Maximum Project Cost	No upper ceiling limit for availing credit.
5	Percentage of Subsidy (Government Contribution)	90%
6	Beneficiary Contribution	10%
7	Financial Incentive	90% subsidy will be given for establishment of Reeling Units.
8	Documents required	Detailed Project Report NOCs(From Pollution Control Board PDD, PHE and other local authorities) Address proof Aadhar Number PAN number Land Revenue Record Bank Details Geo-tagged Photographs of site Supporting Affidavit from partners in case of Partnerships duly attested by Judicial Magistrate,
9	Convergence with CSS	The individuals/farmers can avail credit under AIF for establishing Automatic Reeling Machine units under HADP

8. Promotion of Millets and Nutri-Cereals

Purpose

- Standardization of the cultivation technologies for enhancing productivity and profitability of minor millets
- Area expansion in traditional & non-traditional area that possess similar agro-climatic conditions cluster approach especially in rainfed, kandi & fallow lands & Growing millets as a catch/climatic resilient crop
- Establishment of Seed hubs & introduction of improved varieties especially Ragi (white) & Barnyard millet from Almora
- Commercialization of minor millets through value-addition and branding as smart food
- Capacity building of stake holders at KVKs & Departmental Farms
- Promoting millet processing enterprise at Gram Panchayat/block level to ease primary processing and establishing e-market platform

Name of the Activity		Application for Establishment of Millet Mills
S No	Clause	Stipulations
1	Eligibility	There are no specific eligibility criteria for establishing millet mill under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	For marginal/ ST/SC farmers, Rs. 5.40 Lakhs and for others Rs. 4.50 Lakhs
4	Maximum Project Cost	Upper ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	For marginal/ ST/SC farmers - 60% For others - 50%
6	Beneficiary Contribution	For marginal/ ST/SC farmers - 40% For others - 50%

7	Financial Incentive	For marginal / ST/ SC farmers, 60% subsidy of upto Rs. 5.40 lakh per unit will be given for establishing millets mills under HADP. For other beneficiaries, 50% subsidy of upto Rs. 4.50 lakh per unit will be given
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under AIF for establishing Millet Mill.

Name of the Activity		Application for Establishment of Millet Restaurant
S No	Clause	Stipulations
1	Eligibility	Running Restaurant/New restaurant unit
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Small & Marginal Farmer SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 2 Lakh
4	Maximum Project Cost	Upper ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% limiting to Rs. 1 lakh per unit will be given as the cost for establishing HADP millets restaurants under HADP.
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report/Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	Credit cannot be availed under any CSS scheme for establishing Millets Restaurant.

9. Farm Mechanization for Resource Use Efficiency in Hill Agriculture

Purpose

Farm mechanization has been known to provide a number of economic and social benefits to farmers. Primary among the economic benefits is the improved yield and profitability that comes as a result of greater level of mechanization.

- Improvement in farm power availability (Target 2.5 kW/ha)
- Improvement in production and productivity of crops (20-30%)
- Enhancement in income of farmers by reducing cost of cultivation uptoRs. 30000 to 40000 per ha
- 15- 20% saving in seeds and Fertilizers
- 20-30% reduction in labour
- 5- 20% increase in cropping intensity
- 15-20% increase in crop production
- Reduction in drudgery of farm workers especially to women
- Employment generation through custom hiring centres and Farm Machinery Banks

Name of the Activity		Application for Establishment of Custom Hiring Center/ Farm Machinery Bank
S No	Clause	Stipulations
1	Eligibility	The minimum land requirement shall be adopted as per SMAM guidelines. There are no other eligibility criteria
2	Who can Apply?	FPOs, Multipurpose Societies, Marketing societies, progressive farmers, rural unemployed youth, agri graduates etc. could be potential beneficiaries for setting up of CHC. The beneficiary has to opt any one model complete in all respect. All the farm machinery as per selected model and equipment shed shall be maintained by the beneficiary at his/her CHC.
3	Unit Cost	Rs. 10 Lakhs
4	Maximum Project Cost	Rs. 10 Lakhs
5	Percentage of Subsidy (Government Contribution)	40% (for CHC) and 80% (for FMB)
6	Beneficiary Contribution	60% (for CHC) and 20% (for FMB)
7	Financial Incentive	Subsidy as per the above mentioned percentage; no other financial incentive

8	Documents required	Address Proof Copy of PAN/GSTN Detailed Project Report
9	Convergence with CSS	AIF

Name of the Activity		Application for availing Farm Machinery
S No	Clause	Stipulations
1	Eligibility	The minimum land requirement shall be adopted as per SMAM guidelines. There are no other eligibility criteria
2	Who can Apply?	FPOs, Multipurpose Societies, Marketing societies, progressive farmers, rural unemployed youth, agri graduates etc. could be potential beneficiaries for setting up of CHC. The beneficiary has to opt any one model complete in all respect. All the farm machinery as per selected model and equipment shed shall be maintained by the beneficiary at his/her CHC.
3	Unit Cost	Variable
4	Maximum Project Cost	Variable
5	Percentage of Subsidy (Government Contribution)	40-50% with maximum limit of assistance as per SMAM guidelines
6	Beneficiary Contribution	50-60% with maximum limit of assistance as per SMAM guidelines
7	Financial Incentive	Variable
8	Documents required	Address Proof Land Details Detailed Project Report
9	Convergence with CSS	AIF

10. Promotion of Round the Year Mushroom Cultivation

Purpose

- Introduction of hi.di yielding strains& promotion of medicinal Mushrooms
- Diversification and modernization of mushroom cultivation& ensuring year round cultivation of mushrooms-harnessing off season potential
- Aggregation, PHM, value addition and development of market linkage
- Skill development of mushroom growers

Name of the Activity		Application for Establishment of Pasteurized Compost Making Unit (15 MT)
S No	Clause	Stipulations
1	Eligibility	Minimum Land requirement- 3 Kanal
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 50 Lakhs
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	30%
6	Beneficiary Contribution	70%
7	Financial Incentive	30% of the cost will be given as a subsidy for establishing Pasteurized Compost Making Unit up to 15 Lakhs
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report
9	Convergence with CSS	The farmers can avail of credit under Kisan Credit Card for beekeeping.

Name of the Activity		Application for Establishment of controlled conditioned cropping rooms (40*18*16)
S No	Clause	Stipulations
1	Eligibility	Minimum Land requirement- 1 kanal
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 20 Lakhs
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	40%
6	Beneficiary Contribution	60%

7	Financial Incentive	40% of the unit cost shall be given as a subsidy for establishing Controlled Cropping Room up to 8 Lakhs
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for establishing Controlled Cropping Room.

Name of the Activity		Application for Establishment of Spawn Production Labs 2 MT
S No	Clause	Stipulations
1	Eligibility	Buliding with two room is required, Educational qualification- 12th.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	15 Lakhs
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	40%
6	Beneficiary Contribution	60%
7	Financial Incentive	40% of the unit cost shall be given as subsidy for establishing spawn production lab up to 6 Lakhs
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for establishing spawn production lab.

Name of the Activity		Application for Establishment of Mushroom Sheds (16*25*12 ft)
S No	Clause	Stipulations
1	Eligibility	Minimum land requirement - 0.5 kanal
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 3 Lakhs
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost up to Rs. 1.5 Lakhs shall be given as subsidy
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit
9	Convergence with CSS	

Name of the Activity		Application for availing Pasteurized Compost Bags
S No	Clause	Stipulations
1	Eligibility	No specific eligiblity criteria for availing benefits
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 120; maximum subsidy up to 6000
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	Rs. 60 per bag will be provided as subsidy to individuals; not more than 100 bags per beneficiary
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit
9	Convergence with CSS	Farmer can avail credit from KCC Scheme

Name of the Activity		Application for Establishment of Mushroom Canning Unit
S No	Clause	Stipulations

1	Eligibility	Minimum of 0.5 kanal of land required (+ building having 400-500sq. Ft)
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 15 Lakhs
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost up to Rs. 7.5 Lakhs shall be provided to eligible beneficiaries as subsidy
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit Land Records
9	Convergence with CSS	PMFME

Name of the Activity		Application for Availing Processing and Packaging Equipment
S No	Clause	Stipulations
1	Eligibility	No specific eligibility criteria
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 12000
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be provided as subsidy up to Rs. 6000 per grower/unit
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit Land Records Existing Enterprise document
9	Convergence with CSS	Farmer can avail credit from KCC Scheme

Name of the Activity		Application for solar dryer
S No	Clause	Stipulations
1	Eligibility	No specific eligibility criteria
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 20000
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost up to Rs. 10000 shall be provided as subsidy
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit Land Records Existing Enterprise document
9	Convergence with CSS	PMFME

Name of the Activity		Application form for Revolving Fund for promotion of WSHG
S No	Clause	Stipulations
1	Eligibility	Only women Self Help Groups are eligible to apply
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 10000
4	Maximum Project Cost	No upper ceiling limit for availing credit
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Rs. 10000 per SHG group shall be provided to eligible beneficiaries

8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report, in case of credit Land Records Existing Enterprise document

11. Promotion of Oilseed in UT of JK

Purpose

- To increase area production and productivity under Oilseed crops .
- To increase cropping intensity and SRR including seed village program.
- To ensure adoption of improved technology through INM/IPM, micro irrigation etc.
- To promote effective market linkages and value addition through FPOs.
- Capacity building and Entrepreneurship Development of Stakeholders.

Name of the Activity		Application for Farm Machinery & Equipments
S No	Clause	Stipulations
1	Eligibility	All Farmers are eligibile
2	Who can Apply?	Individuals - Farmer, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	50% of the cost limiting to Rs. 75000 / unit will be given as subsidy for Rotavator, Seed Drill, Multi-crop Planter / Multicrop Trasher etc for Power Operated spray pump 50% of the cost limiting to Rs. 10000 / unit will be given as subsidy
4	Maximum Project Cost	Maximum ceiling of the unit
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	The following assistance will be given for availing farm machinery & equipment for oil seed production - 50% of the cost limiting to Rs. 75000 / unit will be given as subsidy for Rotavator, Seed Drill, Multi-crop Planter / Multicrop Trasher etc for Power Operated spray pump 50% of the cost limiting to Rs. 10000 / unit will be given as subsidy
8	Documents required	Copy of PAN card/Aadhar card, Geo-Tagging, land recordv and Bank account detail, Cost as per Performa Bill etc
9	Convergence with CSS	Farmer can avail credit under KCC

Name of the Activity		Application for Irrigation Infrastructure
S No	Clause	Stipulations
1	Eligibility	All Farmers are eligibile
2	Who can Apply?	Individuals - Farmer, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	50% of the cost limiting to Rs. 2.00 lakh / unit will be given as subsidy for Deep Bore well and for Sprinkler/ Rain Gun system 50% of the cost limiting to Rs. 37400 / unit will be given as subsidy
4	Maximum Project Cost	Maximum ceiling of the unit
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	The following assistance will be given for availing farm machinery & equipment for oil seed production - 50% of the cost limiting to Rs. 2.00 lakh / unit will be given as subsidy for Deep Bore well and for Sprinkler/ Rain Gun system 50% of the cost limiting to Rs. 37400 / unit will be given as subsidy
8	Documents required	Copy of PAN card/Aadhar card, Geo-Tagging, land recordv and Bank account detail, Cost as per Performa Bill etc

Name of the Activity		Application for Extractor Oil Seed
S No	Clause	Stipulations
1	Eligibility	All Farmers are eligible
2	Who can Apply?	Individuals - Farmer, Agripreneur SHGs/ FIGs/Co operatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	50% of the cost limiting to Rs. 1.50 lakh / unit will be given as subsidy for Extractor Oil Seed
4	Maximum Project Cost	Maximum ceiling of the unit
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	The following assistance will be given for availing farm machinery & equipment for oil seed production - 50% of the cost limiting to Rs. 1.50 lakh / unit will be given as subsidy for Extractor Oil Seed
8	Documents required	Copy of PAN card/Aadhar card Geo-Tagging, land record and Bank account, Cost as per Performa Bill etc
9	Convergence with CSS	Farmer can avail credit under KCC

13. Adoption and promotion of Integrated Farming System (IFS)/ Integrated Livelihood System (ILS)

Purpose

- To replicate the IFS model developed by SKUAST-J after being scaled down and customised at different agro ecosystems of the UT
- To not only double the farmers' income but also addresses the sustainability, livelihood and nutritional security
- To improve capacity building, reduce the use of inorganic in a phased manner and to make the farming self sustainable
- To promote farm waste recycling

Name of the Activity		Application form for improved crop seed etc
S No	Clause	Stipulations
1	Eligibility	Any individual or group of individuals can apply
2	Who can Apply?	Small & Marginal Farmers with 0.5 hectare can to get support for any of the activities under IFS.
3	Unit Cost	Fixed financial incentive defined
4	Maximum Project Cost	Fixed financial incentive defined
5	Percentage of Subsidy (Government Contribution)	83%
6	Beneficiary Contribution	17%

7	Financial Incentive	<p>Farmers can apply for incentives for those farm components which currently do not exist with them. On an average incentives of around Rs 9000 per farmer are provided. The component-wise incentive provided are as follows -</p> <p>Improved crop seed etc - Rs. 250 / Farm Family Boundary plantation - Rs. 500 / Farm Family Fruit Plantation - Rs. 1000 / Farm Family Fodder slips/perennial grasses and legumes around the year - Rs. 500 / Farm Family vegetable seeds - Rs. 500 / Farm Family Animal health camps - 0 / Farm Family requirements for AI - Rs. 400 / Farm Family Mineral mixture - Rs. 250 / Farm Family Poultry birds - Rs. 500 / Farm Family Repair of poultry sheds - Rs. 500 / Farm Family Low Cost portable for vermicompost infra. (Farm waste recycling with microbial consortium for enhancing decomposition -Rs. 2000 / Farm Family spawn of mushroom - Rs. 800 / Farm Family Micro irrigation/water harvesting/inter linking roads, Ponds and Biogas - Rs. 0.00 / Farm Family Bee hives with colonies - Rs.500 / Farm Family</p>																										
8	Documents required	<p>Address Proof Details of Land Registration Document in case of SHGs / FPOs Copy of PAN and GSTIN Bank Details DPR (for availing credit)</p>																										
9	Convergence with CSS	KCC

14. Promotion of Commercial floriculture																												

Purpose

- 4600 employments shall be generated in various project activities
- Technology upgradation of nurseries shall result in Additional production capacity of 25 lac plants/year with a production value of ₹ 500 lacs ;
- Addition of production capacity of 250 lac plants Production value of rupees 2500 lacs/year due to area expansion in nurseries
- 30-36 lac cut stems shall be added to production ₹ 300-360 rupees shall be added to value; Production of (12) Lac Cut-liliums/year, Production value rupees 220 lacs 140 lac cut stems/year Production value of ₹ 700 lacs/year
- Increment of 1000 Liters of lavender essential oil With Increment in Production value of rupees ₹ 120 lacs
- Production increment of 48,000 qtls after four years with a total projected production of 60,000 qtls with a projected production value of ₹ 2200 lac approx.
- 50-60 lac corm production/year in four years with a Production value of ₹150-180 lac ncrement of 9 ha in area with production ₹ 75-100 lac rupees
- 6000 growers would be trained in critical areas like packaaina, value addition, dried flower product development etc.

Name of the Activity		New nursery unit
S No	Clause	Stipulations
1	Eligibility	Growers registered with Department of Floriculture Jammu/Kashmir with a minimum of 0.1 ha land holding
2	Who can Apply?	Registered Growers / nursery Units
3	Unit Cost	As per MIDH norms
4	Maximum Project Cost	No max limit
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy under MIDH for establishing new nursery units. As per the MIDH norms. Only Growers receiving Shade house are eligibe to receive assistance for Vermicompost unit (Size: 3 x 8 x 2.5 ft), Integrated post harvest management (Packhouse/farm cultivation unit).
8	Documents required	Address Proof Survey / Khasra No. Copy of PAN/GSTN Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card and AIF for establishing new nursery units

Name of the Activity		Strengthening of existing nurseries
S No	Clause	Stipulations
1	Eligibility	The assistance shall be given to functional /Registered growers/nursery unit holders with a minimum land holding of 0.1 ha
2	Who can Apply?	Registered Growers/Nursery Units
3	Unit Cost	Financial incentive up to Rs. 6000 for polycarbonate green house and up to Rs. 1.5 Lakhs for seed germinator
4	Maximum Project Cost	No cap on maximum project cost
5	Percentage of Subsidy (Government Contribution)	For polycarbonate green house - 80% For Germinator - 50%
6	Beneficiary Contribution	For polycarbonate green house - 20% For Germinator - 50%
7	Financial Incentive	80% subsidy on the unit cost will be given for polycarbonate green-house (6 x 24 m =148 sq. m.) upto Rs. 6000 and while 50% subsidy will be given for seed germinator upto Rs. 1.5 Lakhs
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under AIF for strengthening of existing nurseries under HADP.

Name of the Activity		Post Covid Revival of Sick floriculture units
S No	Clause	Stipulations
1	Eligibility	Registered growers who have intact tubular frame structures erected with help of subsidy component from the Government.
2	Who can Apply?	Registered Growers / nursery Units
3	Unit Cost	Subsidy provided for polythene for structures and cost of planting material will be based on defined financial incentive
4	Maximum Project Cost	No max cap
5	Percentage of Subsidy (Government Contribution)	For polythene - 80%
6	Beneficiary Contribution	For polythene - 20%
7	Financial Incentive	Polythene for the structures will be given at an 80% subsidy while plant material for restored units will be distributed as per MIDH norms Cost of planting material - Rs. 305
8	Documents required	Address Proof Survey / Khasra No. Copy of PAN/GSTN Current Nursery Details Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card and AIF for reviving sick / closed floriculture units .

Name of the Activity		Protected Cultivation
S No	Clause	Stipulations
1	Eligibility	Registered growers from a particular designated cluster.
2	Who can Apply?	Registered Growers / nursery Units
3	Unit Cost	Defined financial incentive
4	Maximum Project Cost	Defined financial incentive
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	The assistance for establishing Protected Floriculture Cultivation Unit shall be provided under MIDH norms to a maximum of 600 sq. m. protected area per beneficiary (50% of the unit cost). Shade-net House Tubular - Rs. 408 Cost of planting material and cultivation of Rose lilium under Shade house - Rs. 213 Vermicompost unit (size 3x8x2.5 ft) - Rs. 50000 Tubular Structure - Rs. 609.5 Cost of planting material and cultivation of Carnation & Gerbera under polyhouse - Rs. 305 Vermicompost (Size: 3x8x2.5 ft) - Rs. 50000
8	Documents required	Address Proof Survey / Khasra No. Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Detail
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card and AIF for establishing protected floriculture cultivation unit.

Name of the Activity		Area expansion under Aromatic Plants (open)
S No	Clause	Stipulations
1	Eligibility	Registered growers from a particular designated cluster
2	Who can Apply?	Registered Growers / nursery Units
3	Unit Cost	Fixed financial incentive
4	Maximum Project Cost	No cap
5	Percentage of Subsidy (Government Contribution)	Defined under each sub-activity
6	Beneficiary Contribution	Defined under each sub-activity

7	Financial Incentive	Area expansion in Aromatic Plants - The assistance shall be provided under MIDH norms to a minimum of 0.2 ha area per beneficiary. Moreover, 80% subsidy will be provided for distillation unit. Area expansion in Loose flowers - The assistance shall be provided under MIDH norms to a minimum of 0.2 ha area per beneficiary. Assistance in terms of inorganic fertilizer (100 %) shall be provided to beneficiaries. Area expansion in Bulbous Ornamental crops - The assistance shall be provided under MIDH norms to a minimum of 0.2 ha area per beneficiary. Area expansion in Annual Flower Seed Production - The assistance shall be provided under MIDH norms to a minimum of 0.2 ha area per beneficiary.
8	Documents required	Address Proof Survey / Khasra No. Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card for increasing area under cultivation of Aromatic Plants / Loose flowers / Bulbous Ornamental crops/ Annual Flower Seed Production.

Activities with similar financial incentive as the above mentioned activity

Area expansion in Loose flowers

Area expansion under bulbous flower production (open)

Area expansion under annual flower seed production (open)

15. Development of rain fed areas of J&K

Purpose

- 2.5 times increment in income (of adopted farmers) through integration of pulses-oilseeds-horti-dairy-poultry.
- Assured double/triple cropping and increase in Cropping Intensity.
- High system based productivity
- Reduced dependence on external inputs by 30%
- Bio-economy will be established through Potential Secondary Agriculture activities
- Creation of local jobs & supplementary incomes
- High product quality in terms of market preference
- Creation of direct employment for 120 farmers
- Growth rate of meat production shall improve from 4.8% to 5.5%
- Increased AI coverage from 29% to 70%
- Increased average milk production from 5.80 kg/day to 7.0 kg/day

Name of the Activity		Creation of water/ irrigation Sources(Deep Bore Wells)
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	6.00 lakh
4	Maximum Project Cost	6.00 lakh
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 3 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

Name of the Activity		Gravity feed drip irrigation systems using plastic tanks (1000-1500 litres capacity) mounted on a raised angle iron stand for 1 kanal area
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	1.00 lakh
4	Maximum Project Cost	1.00 lakh

5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 0.50 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card
Name of the Activity		
Water Storage Tanks/ Portable Geo Tanks/ Poly Tanks/ flexi water tanks		
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	3.60 lakh
4	Maximum Project Cost	3.60 lakh
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 1.80 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card
Name of the Activity		
Expanding Area Coverage Under Micro-irrigation (Drip/Sprinkler, Rainguns) @ 55% of Cost(PDMC Guidelines)		
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	2.50 lakh
4	Maximum Project Cost	2.50 Lakh
5	Percentage of Subsidy (Government Contribution)	55%
6	Beneficiary Contribution	45%
7	Financial Incentive	55% of the unit cost shall be given as a subsidy max up to 1.20 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card
Name of the Activity		
Establishment of Farm Machinery Banks		
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district, with Covered Area for keeping Machinery.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	16.00 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 8.00 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card
Name of the Activity		
Roof-top Rain Water Harvesting Structures		
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	3.00 lakh

4	Maximum Project Cost	3.00 lakh
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 1.50 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

Name of the Activity	Creating Post Harvest Handling Facilities, Transportaion of Harvested produce (Vending Carts/ Ref Van/Aircontrolled Sale Outlets/Units)
-----------------------------	--

S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	1.50 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 0.75 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

Name of the Activity	Establishment of Village level seed banks (of Size 10 m x 5 m) subsidy @Rs 4000/- per Sqm max upto Rs 2.00 lakh
-----------------------------	--

S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	4.00 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 2.00 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

Name of the Activity	Adding Value through Agro-processing/ Creation of storage infrastructure in rural areas (of Size 10 m x 5 m) subsidy @Rs 4000/- per Sqm max upto Rs 2.00 lakh
-----------------------------	--

S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	4.00 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 2.00 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

Name of the Activity	Creation of small processing unit/pack House (9m x 6m)
-----------------------------	---

S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district

2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Co operatives/ FPOs
3	Unit Cost	4.00 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 2.00 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph

Name of the Activity		Bringing in Marketing Reforms (Establishment / Strengthening of Mandis)
S No	Clause	Stipulations
1	Eligibility	In the identified RAD blocks of respective district
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/ Co operatives/ FPOs
3	Unit Cost	5.00 lakh
4	Maximum Project Cost	Maximum ceiling of the unit cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	50% of the unit cost shall be given as a subsidy max up to 2.50 Lakhs
8	Documents required	Address Proof, Bank Detail, Copy of Aadhaar/PAN, Detailed Estimate/Proforma Bill, Land Record, Geo Tagged Location, Photograph
9	Convergence with CSS	The farmers can avail credit under Kisan Credit Card

16. Alternate Agriculture System for sustainability

Purpose

- Scientific manpower and Availability of bio-formulations/ Bio-inputs to existing and expanded Organic areas; boost to organic farming
- Recycling of farm wastes, Healthy Soil and Ecosystem with Sustainability
- Certification and Branding of Healthy and Quality/ Bio-fertilized Produce that will fetch premium price
- Reduction in State Fertilizer import, Increased Share in State GDP
- Skilled Incubators, Employment and Revenue Generation

Name of the Activity		Establishment of Commercial vermicompost Unit
S No	Clause	Stipulations
1	Eligibility	Any individual or group of individuals however preference should be given to beneficiaries having 10 or more dairy animal
2	Who can Apply?	Any individual or group of individuals however preference should be given to beneficiaries having 10 or more dairy animal
3	Unit Cost	Rs. 7 Lakhs per unit
4	Maximum Project Cost	Rs. 7 Lakhs per unit will be provided towards establishing commercial vermicompost unit. Total of 400 units shall be established under this activity
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	Rs. 7 lakhs per unit shall be provided to beneficiaries of IDDS scheme with 10 cows for establishing vermicompost unit
8	Documents required	Address Proof Survey / Khasra No. Copy of PAN/GSTN Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details DPR, if credit is required
9	Convergence with CSS	Convergence allowed under AHIDF

Name of the Activity		Establishment of Low Cost Vermicompost Unit
S No	Clause	Stipulations
1	Eligibility	No specific eligibility criteria for this activity
2	Who can Apply?	Any individual or a group of individuals
3	Unit Cost	Rs. 50000 per unit
4	Maximum Project Cost	Rs. 50000 per unit will be provided towards establishing commercial vermicompost unit
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Rs. 50000 per unit
8	Documents required	Address Proof Survey / Khasra No. Copy of PAN/GSTN Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details DPR, if credit is required
9	Convergence with CSS	Convergence allowed under AHIDF

17. Sensor based smart Agriculture

Purpose

- Precise application of input (30%)
- Developed sensor based grading and sorting system of apple
- DSS for pest and disease management, Real time detection and variable rate spray using robotics and Drone
- Building sensor corridor for livestock and phenotyping and yield prediction
- Skilled manpower (Trained graduates, certificate and diploma courses)
- Development of startup culture in sensor based agriculture system

Name of the Activity		Application for Smart Agri Startup Skilling
S No	Clause	Stipulations
1	Eligibility	Minimum educational qualification required: 10th pass No other eligibility criteria
2	Who can Apply?	No specific condition. Any individual with required minimum educational qualification can apply
3	Unit Cost	NA
4	Maximum Project Cost	NA
5	Percentage of Subsidy (Government Contribution)	NA
6	Beneficiary Contribution	NA
7	Financial Incentive	NA
8	Documents required	Address Proof Survey / Khasra No. Educational Qualification Proof Copy of PAN/GSTN Land Details Registration Document (for SHG/Coop/FPO/Institutions etc) Bank Details
9	Convergence with CSS	NA

18. Minimizing Pesticide use for sustainable Agriculture Production system

Purpose

- Minimise pesticide use by
 - Low volume sprays-----: 50% (60-70% lesser spray volume)
 - Disease tolerant cultivars-----: 20% (Reduction of 2-4 sprays)
 - Real time advisory-----: 10% (in continuous favourable weather pesticide consumption may increase)
 - Ecological engineering-----: 2-5%
- Increased input efficiency use up to 80%
- Reduced drudgery by 75%
- Overall cost reduction by 35%
- Improving A grade fruit quality to 90% from 40%

Name of the Activity		Application Form for Skill Development in Bio-Pesticide
S No	Clause	Stipulations
1	Eligibility	Maximum of five candidates from each district of Jammu and Kashmir shall be selected for entrepreneurship development in Bio-control agents. Preference shall be given to graduates in Agriculture and allied sectors.
2	Who can Apply?	Graduates, farmers, unemployed youth, etc
3	Unit Cost	No financial incentive under this activity
4	Maximum Project Cost	No financial incentive under this activity
5	Percentage of Subsidy (Government Contribution)	NA
6	Beneficiary Contribution	NA
7	Financial Incentive	No financial incentive under this activity
8	Documents required	PAN Card Education Qualification Certificate Bank account details
9	Convergence with CSS	NA

Name of the Activity		Application Form for Establishment of Model Apple Orchard in Clusters
S No	Clause	Stipulations
1	Eligibility	Preference shall be given to the land more suitable for mechanisation
2	Who can Apply?	Individual farmers
3	Unit Cost	No financial incentive under this activity
4	Maximum Project Cost	No financial incentive under this activity
5	Percentage of Subsidy (Government Contribution)	Project team shall carry out pest management on selected orchards for a period of 5 years. No financial incentive under this activity
6	Beneficiary Contribution	All input cost to be borne by the grower
7	Financial Incentive	No financial incentive under this activity
8	Documents required	Undertaking document (format available on Kisan Sathi portal) Revenue documents Bank account details Land documents
9	Convergence with CSS	NA

19. Developing J&K Soil and Land Resource Information System (JKSLRI)

Purpose

- Authentic soil and land resource repository with soil museum
- Land evaluation for crop suitability and alternate land use
- Efficient use of fertilizers and micro-nutrients may lay a base for organic production
- Policy document on agriculture and urbanization for sustainable ecosystem

Name of the Activity		Establishment of Static or Mini Soil Testing Laboratory
S No	Clause	Stipulations

1	Eligibility	The beneficiary/entrepreneur shall be a youth in 18-27, especially from Saansad Adarsh Gram Yojana villages. He/she must be qualified in at least 2nd division matric with science and have knowledge of computer. He / must also have his or her own building for setting up village-level soil testing lab or rental
2	Who can Apply?	This is a good employment opportunity for unemployed, rural youth. Individuals - Farmer, Unemployed Youth, Agripreneur - can apply to set up soil testing laboratories.
3	Unit Cost	5 Lakhs
4	Maximum Project Cost	No cap for availing credit
5	Percentage of Subsidy (Government Contribution)	75%
6	Beneficiary Contribution	25%
7	Financial Incentive	The maximum project cost of Village level soil testing unit is Rs. 5 lakhs. The financial assistance @75% of the total cost of the project shall be admissible as a one-time subsidy. In case of static Soil Testing Laboratory, 60% of the project cost up to Rs. 45 Lakhs will be provided as subsidy for purchase of machinery & equipment, chemicals & glasswares, miscellaneous laboratory articles and contingencies
8	Documents required	Qualification Certificate PAN Card Aadhar Card
9	Convergence with CSS	National Mission on Sustainable Agriculture

21. Promotion of High Density Plantation and Rejuvenation of Orchards

Purpose

- Planting Material production capacity to be enhanced to III lacs in initial 5 years
- Development of 390 Ha area under nurseries in public and private sector
- Rejuvenating 2000 Ha orchard area under different fruit crops
- Producing plant material to cover an area of 5500 Ha under HDP of 12 fruit crops during the initial 5 years
- Strengthening of Plant testing/ quality control lab, (02), Tissue culture lab, (02), Virus indexing labs, (02), SKUAST-J and K
- Building capacity by training 5000 farmers (within UT) and International training of 150 participants from SKUAST-J/K and Department of Horticulture J/K officials.

Name of the Activity		Application for establishment of HD Nursery
S No	Clause	Stipulations
1	Eligibility	The individual / organisation must hold a land size of 8 to 40 kanals for establishing HD horti nursery under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/ Cooperatives/ FPOs/ Joint Liability Groups (JLGs)
3	Unit Cost	Rs. 52 Lakhs per hectare
4	Maximum Project Cost	Rs. 43.68 Crore (84 hectare) - for private sector Rs. 26 Crore (50 hectare) - for public sector
5	Percentage of Subsidy (Government Contribution)	100% for public sector 50% for private sector
6	Beneficiary Contribution	50% for private sector
7	Financial Incentive	50% subsidy shall be provided for establishing a unit of HD horti nursery. The unit cost of such HD nursery is Rs. 52 lakhs.
8	Documents required	Land Details with geotagged photograph Exact Land Location PAN & Aadhar Detailed Project Report
9	Convergence with CSS	No CSS scheme can be availed for establishing HD horti nursery under HADP

Name of the Activity		Application for establishment of Mother Block Unit
S No	Clause	Stipulations

1	Eligibility	The individual / organisation must hold a land size of 1 to 40 kanals for establishing horti moder block unit.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 16.67 Lakhs per hectare
4	Maximum Project Cost	Rs. 11.669 Crore for public sector (70 ha) Rs. 16.669 Crore for private sector (100 ha)
5	Percentage of Subsidy (Government Contribution)	100% for public sector 80% for private sector
6	Beneficiary Contribution	20% for private sector
7	Financial Incentive	The unit cost of such Mother Block is Rs. 16.7 lakh. 80% of the unit cost will be given as subsidy establishing Horti Mother Block Unit under HADP.
8	Documents required	Land Details with geotagged photograph Exact Land Location PAN & Aadhar Detailed Project Report
9	Convergence with CSS	No interest subvention under CSS schemes is available for establishing horti mother block unit under HADP.

Name of the Activity		Application for establishment of Root Stock Bank
S No	Clause	Stipulations
1	Eligibility	There are no eligibility criteria for establishing horti root stock bank under HADP.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 21 Lakh
4	Maximum Project Cost	Rs. 11.76 Crore for public sector (56 ha) Rs. 5.88 Crore for private sector (100 ha)
5	Percentage of Subsidy (Government Contribution)	100% for public sector 80% for private sector
6	Beneficiary Contribution	20% for private sector
7	Financial Incentive	The unit cost of such rootstock bank is Rs. 21 lakh. 80% of the unit cost will be given as subsidy establishing Horti Mother Block Unit under HADP.
8	Documents required	Land Details with geotagged photograph Exact Land Location PAN & Aadhar Detailed Project Report
9	Convergence with CSS	No interest subvention under CSS schemes is available for establishing Horti root stock bank under HADP.

Name of the Activity		Application for establishment of polyhouse cultivation
S No	Clause	Stipulations
1	Eligibility	The minimum lanholding for establishing polyhosue for protected cultivation of horticulture crops is 50-1000 sq. mts.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 7000 per sq m up to a maximum 10.5 Cr for public sector (15000 sq.m) and Rs. 7 Crore for private sector (10000 sq. m)
4	Maximum Project Cost	Rs. 7000 per sq m up to a maximum 10.5 Cr for public sector (15000 sq.m) and Rs. 7 Crore for private sector (10000 sq. m)
5	Percentage of Subsidy (Government Contribution)	100% for public sector 80% for private sector
6	Beneficiary Contribution	20% for private sector
7	Financial Incentive	A subsidy of Rs. 7000 per sq. m will be given for the establishment of polyhouses for Protected Cultivation unit of horticulture crops.
8	Documents required	Land Details with geotagged photograph Exact Land Location PAN & Aadhar Detailed Project Report
9	Convergence with CSS	No interest subvention under CSS schemes is available for establishing protected cultivation unit for horticulture under HADP.

Name of the Activity		Application for rejuvenation of existing orchards
S No	Clause	Stipulations
1	Eligibility	The individual applying for rejuvenation of existing orchards should hold 1 to 20 Kanals.
2	Who can Apply?	Individuals - Farmer, Unemployed Youth, Agripreneur SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 12 Lakhs per hectare
4	Maximum Project Cost	Up to 2000 ha (240 Cr) is the total project cost
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	50%
7	Financial Incentive	The unit cost of rejuvenation of orchards is Rs. 12 Lakh/ha out of which 50% will be given as subsidy by the Horticulture Department.
8	Documents required	Land Details with geotagged photograph Exact Land Location PAN & Aadhar Detailed Project Report
9	Convergence with CSS	No CSS scheme can be availed for rejuvenation of existing orchards

22. UT Level Food Processing Programme for the Development of Clusters of Specific Products of J&K

Purpose

- Accelerate competitiveness of J&K's products in domestic and export markets
- Reduce post harvest losses by setting up adequate infrastructure
- Introduction to new technologies
- Set up processing units in clusters and outside of clusters for the overall socio-economic development
- Building stakeholder capacity and enhance farmers' income through specific interventions
- Facilitating dovetailing of resources to entrench stakeholders in value chain

Name of the Activity		Application for selection of Implementing Agencies/Private Players/FPOs
S No	Clause	Stipulations
1	Eligibility	The scheme is eligible for the following clusters only :- Milk (Pulwama & Jammu) Walnut (Kupwara & Kishtwar) Trout (Anantnag & Ganderbal) Vegetables (Budgam, Samba, Udhampur & Kathua) Meat/ Poultry (Srinagar & Kathua) Cherry (Shopian & Ganderbal) Basmati Cluster (RS Pura, Samba & Kathua) IA must have relevant experience in agriculture and allied sector/ input supplier/ producer/ aggregator/ trader/ food processor/ exporter/ retailer/ logistics provider, etc., depending on the vertical applied for
2	Who can Apply?	The programme is to implemented in PPP mode where land is to be identified by the Implementing Agency (IA) in line with the project requirement
3	Unit Cost	Walnut cluster - Rs. 50 Cr Milk cluster - Rs. 50 Cr Trout cluster - Rs. 12.50 Cr Vegetables cluster - Rs. 50 Cr Meat/ Poultry cluster - Rs. 50 Cr Cherry cluster - Rs. 25 Cr
4	Maximum Project Cost	Defined for each cluster
5	Percentage of Subsidy (Government Contribution)	33.33%
6	Beneficiary Contribution	33.33%
7	Financial Incentive	33.33% financial assistance (maximum limit defined under unit cost). 33.33% shall be through bank finance and the remaining 33.33% shall be the promoter equity

8	Documents required	<p>Address Proof Survey / Khasra No. Educational Qualification Proof Copy of PAN/GSTN Land Details Registration Document Certificate of incorporation/ registration of the applicant Bank Details Annual Audited Balance sheet for the last three years of the applicant/ shareholders/ partners/ lead promoter (as applicable) Demand Draft In-principle/ Final term loan sanction letter from any Scheduled Commercial Bank/ RBI-approved Financial Institution Detailed bank appraisal note from the Scheduled Commercial Bank/ RBI-approved Financial Institution Copy of MoUs/Agreement with farmers / FPOs Land documents - Documents in support of land title in possession of the IA or registered Sale deed or registered lease deed, for a minimum period of 15 years Relevant experience in Export – Invoices/ Bill of lading/ Letter of Credit/ Import Export Code (IEC) copies / Contract copies/ Purchase Order related to exports of focus crop, if applicable Statutory Auditor certificate in support of net-worth, net current assets, debt equity ratio, turnover etc. of the proposed project along with the supporting documents suggested as per the programme guidelines CA certified project cost details and means of finance Board resolution for confirmation of authorised signatory and for participation as Implementing Agency Mandate form from Bank Certificate from the lending bank that the facility has not commenced commercial operations as on the date of the bank certificate, if applicable The proposed component-wise cost breakup of civil work by the Chartered Engineer (Civil), if applicable The Proposed component-wise cost breakup of plant and machinery by the Chartered Engineer (Mechanical), if applicable Undertaking to be submitted by the applicant in the prescribed format</p>
9	Convergence with CSS	NA

23. Dairy Development in J&K

Purpose

- Productivity enhancement of dairy cows to increase milk production.
- Establishment of milk collection and chilling infrastructure in existing milk shed areas.
- To promote collectivization of milk and milk products for better price remunerations.
- Upscale value addition of milk and milk products to encourage exports.
- To ensure safe and hygienic milk reaches to consumers.
- To attract private investment in dairy sector and generate employment

Name of the Activity		Application for Heifer Production Unit
S No	Clause	Stipulations
1	Eligibility	Minimum land requirement - 2 kanal (owned/ leased) with sufficient resources for fodder cultivation
2	Who can Apply?	Any individual or group of individuals/ SHG/ FPO/ Cooperative
3	Unit Cost	Interested farmers shall be provided incentive of ₹ 10.00 lakh for rearing 20 female calves upto adult hood which can be sold as cows 8000 dairy animals shall be available annually after a period of 5 years. The cattle dealers will be replaced with cattle breeders
4	Maximum Project Cost	Rs. 10 Lakhs per unit - maximum subsidy amount; no cap on credit amount
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Rs. 10 Lakh per unit
8	Documents required	<p>Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report (credit applications) Land documents</p>
9	Convergence with CSS	Convergence allowed under AHIDF

Name of the Activity		Application for Assistance to Milk SHGs/FPOs
S No	Clause	Stipulations
1	Eligibility	Registered FIGs / SHGs/ FPOs/ Cooperatives
2	Who can Apply?	SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Defined under financial incentive
4	Maximum Project Cost	Defined under financial incentive
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Each collection unit will be provided a working capital of ₹ 2.00 lakh, AMCU + Milk Cans ₹ 4.00 lakh each, and BMC- 5000 LPD ₹ 15 lakhs each along with civil work
8	Documents required	Address Proof Copy of PAN/GSTN Registration Document (for SHG/Coop/FPO/Institutions etc) Detailed Project Report Details of members of the collective Business plan document Land documents Bank pass book
9	Convergence with CSS	The farmers can avail credit under AHIDF for establishing milk chilling & processing unit

Name of the Activity		Application for Assistance to Milk Value Addition Startups
S No	Clause	Stipulations
1	Eligibility	Registered FIGs / SHGs/ FPOs
2	Who can Apply?	SHGs/ FIGs/Cooperatives/FPOs/ Joint Liability Groups(JLGs)
3	Unit Cost	Rs. 25 Lakh per unit (Rs. 20 Lakhs for machinery + Rs. 3.00 Lakhs for vehicle and Rs. 2.00 Lakhs for working capital)
4	Maximum Project Cost	Rs. 25 Lakh per unit; no cap on availing credit
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Each startup will be provided with an incentive of ₹ 25.00 lakh each for setting up processing unit, branding, and marketing of dairy products
8	Documents required	Registration Details of FPO / SHG Plant Machinery Performa Bill Transport Vehicle Bill Details fo FPO / SHG members Details of Animals Land Documents Detailed Project Report
9	Convergence with CSS	The farmers can avail credit under AHIDIF for establishing milk valueaddition startup.

24. Reorienting Priorities: Self-Sustenance in Mutton Production

Purpose

- Enhancing mutton production and productivity through the import of proliferative mutton breeds
- Identification of elite germplasm and establishment of seed stock production centers for important breeds.
- Genetic improvement/gain by rapid propagation and multiplication through assisted reproductive techniques (AI/IVEP/ETT)
- Nutritional strategies and feed processing technologies to augment sheep/goat production.
- Developing healthcare strategies, vaccination, preparedness, and facilities for disaster management.
- Capacity building, Human Resource and entrepreneurship development through training, consultancy and I.C.T. Support.

Name of the Activity		Application form for establishment of sheep/goat farm (commercial)
S No	Clause	Stipulations

1	Eligibility	Sufficient quantum of land is required for availing of the subsidy. Sheep/goat units would mean a unit of minimum fifty sheep/goats. Livestock units shall be provided @ 1 unit/ beneficiary and not multiples as the multiple units are covered under ISDS. Once the beneficiary has established the unit of animals/shearing unit, 50% of the unit cost as subsidy amount or maximum ceiling, whichever is less, shall be released upon physical verification.
2	Who can Apply?	Any individual/ group of individuals/ Self Help Group (SHGs)/ Cooperative Society/ Farmers Producer Organization (FPOs)
3	Unit Cost	Rs. 2.5 Lakhs or 50% of the project cost, whichever is lesser
4	Maximum Project Cost	The beneficiary can opt for loan facility by depositing 10% margin money and 50% of the unit cost as total eligible subsidy amount or of maximum ceiling, whichever is less, will be released to the bank as back ended subsidy.
5	Percentage of Subsidy (Government Contribution)	50%
6	Beneficiary Contribution	10% or more as per the capacity of the beneficiary.
7	Financial Incentive	Capital cost of these farms shall be subsidized by 50% upto Rs 2.5 lakhs
8	Documents required	Details for FPOs/SHGs - Registration No., Members, Annual Income, Cost of animals, Civil works, Plant Machinery etc Land Details - Location, Area, Ownership - whether owned/leased Bank Account Details DPR in case of Bank assistance is sought Experience Certificate Training Certificate (optional)
9	Convergence with CSS	The project shall be dovetailed with the AHIDF for 3% interest subvention.

Name of the Activity		Application form for Common Facilitation Centres (CFCs)
S No	Clause	Stipulations
1	Eligibility	Desirable minimum quantum of land is 2-5 Kanals; not mandatory In case of an abattoir, once the FPO has established the setup, 50% of the unit cost as subsidy amount or maximum ceiling of ₹ 2.1 Cr per abattoir with details as given in the project with integrated sheep mandis, whichever is less, shall be released on production of the invoice and physical verification The beneficiary can opt for loan facility by depositing 10% marginal money and 50% of the unit cost as total eligible subsidy amount or of maximum ceiling, whichever is less, will be released to the bank as back ended subsidy. Beneficiaries must have sufficient land holding, manpower resources available, to maintain the unit on an organized pattern. Efforts shall be made to cover SC/ST/Women beneficiaries
2	Who can Apply?	Any Individual Farmer/ Breeder/ FPOs, FPCs/ SHGs
3	Unit Cost	One time incentive of Rs. 18 Lakhs per collective or individual
4	Maximum Project Cost	Rs. 18 Lakhs; no cap on availing credit
5	Percentage of Subsidy (Government Contribution)	Maximum of Rs. 18 Lacs / CFC as incentive. Shall be released after start of work by beneficiary, procurement of equipments, civil work (if any) etc. and production of bills.
6	Beneficiary Contribution	0 % for CFC and 10 % margin money (in case of bank loan) or more upto 50 % (self finance) for Abbattior.
7	Financial Incentive	Financial assistance of Rs. 18 Lacs / CFC @ Rs. 3 Lacs / activity including1. Silage making unit 2. Total Mixed Ration unit 3. Fodder Block making unit 4. AI facility unit 5. Mutton processing unit 6. Cattle feed unit.
8	Documents required	Details of CFC Land Details - Location, Area, Ownership -whether owned/leased/rented Bank Account Details Project outlay cost DPR in case of Bank assistance is sought
9	Convergence with CSS	The project shall be dovetailed with the AHIDF for 3% interest subvention.

Name of the Activity		Application form for Construction of Infrastructure at Highland Pastures
S No	Clause	Stipulations
1	Eligibility	No such eligibility criteria under this activity
2	Who can Apply?	Nomads & Chopans.
3	Unit Cost	Rs. 2 Lakhs

4	Maximum Project Cost	Rs. 2 Lakhs; no cap on availing credit
5	Percentage of Subsidy (Government Contribution)	a maximum of Rs. 2 Lacs / structure as one time incentive.
6	Beneficiary Contribution	0%
7	Financial Incentive	For construction of Doka along with paddock assistance of Rs 2.0 lakhs shall be provided to the beneficiary at HLPs for nomads as an incentive. In case of Tents and P.P sheets, assistance shall be provided in kind
8	Documents required	Livestock Strength Flock Book registration No. With Sheep Ext Centre Migration Point (Name of HLP) Details of infrastructure Dimensions Type of infrastructure - Doka/Kotha with padlock/ Tents and PP sheets Bank Account Details Registration Document
9	Convergence with CSS	Credit cannot be availed under AIF for this activity.

25. Roadmap for Poultry Development in J&K

Purpose

- Entrepreneurship Development Employment Generation (EDEG) from poultry sector
- Reduced reliance on import of inputs
- Poultry farming becomes more remunerative
- Pave way for integrators and give rise to contract farming

Name of the Activity		Application for Establishment of Composite Broiler Parent Farm cum Hatchery and Feed Mill
S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 05 Kanals
2	Who can Apply?	Individual / Group of Individuals/ New to Poultry or already in business/ SHGs/FPOs
3	Unit Cost	Rs. 1.10 Crore; Rs. 1 Crore for fixed asset and Rs. 10 Lakhs for working capital
4	Maximum Project Cost	Maximum subsidy limit of Rs 30 lakhs for a unit size of 3000 parent stock and hatchery; no cap on availing credit
5	Percentage of Subsidy (Government Contribution)	30%
6	Beneficiary Contribution	70% benefits can be availed under CSS-IDS and AHIDF
7	Financial Incentive	For unit size of 3000 parent stock and hatchery, the incentive under HADP is 30%; subsidy on capital of up to Rs. 30 Lakhs
8	Documents required	For Individuals: PAN details Aadhar Number; Address proof DPR including geo-tagged images of the project site Land details - location/ whether leased/owned/ documents Bank Account Details Certificate of training in poultry farming / Enrolment on Daksh Kisan
9	Convergence with CSS	Convergence of said project with CAPEX scheme - IPDP to the extent of Rs. 6.00 Lakhs, as reflected on HAPD portal. The maximum subsidy shall not exceed 50% of the total project cost. Convergence allowed under CSS-IDS and AHIDF

Name of the Activity		Application for establishment of Feed Manufacturing Unit
S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 05 Kanals; there is no upper age limit and no gender restriction; no minimum educational qualification is required.
2	Who can Apply?	Individual / Group of Individuals/ New to Poultry or already in business/ SHGs/FPOs
3	Unit Cost	Rs. 50 Lakh (The unit size has to be of 1 ton/hour manufacturing capacity Operating for 8-9 hours/day producing 2400 tonnes/year)
4	Maximum Project Cost	Rs 50 Lakh as per Action Plan (Maximum credit limit of 50 Lakh, including margin money)

5	Percentage of Subsidy (Government Contribution)	Nil
6	Beneficiary Contribution	100%
7	Financial Incentive	The production linked incentive under HADP will be Rs 25 per 50 kg bag of feed manufactured (maximum Rs 12 Lakh/year)
8	Documents required	For Individuals PAN details Aadhar Number; Address proof DPR including geo-tagged images of the project site Land details - location/ whether leased/owned/ documents Bank Account Details Certificate of training in poultry farming / Enrolment on Daksh Kisan
9	Convergence with CSS	Convergence allowed under AHIDF

Name of the Activity	Application for Establishment of Commercial Layer Farm
-----------------------------	---

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 05 Kanals; there is no upper age limit and no gender restriction; no minimum educational qualification is required.
2	Who can Apply?	Individual / Group of Individuals/ New to Poultry or already in business/ SHGs/FPOs
3	Unit Cost	Rs 70 lakh [Rs 60 Lakh fixed capital (construction and equipment), Rs 10 Lakh Working Capital]
4	Maximum Project Cost	70 Lakh as per Action Plan (maximum subsidy limit of Rs 38 lakh or 50% of project cost whichever is less and maximum credit limit of 35 Lakh, including margin money)
5	Percentage of Subsidy (Government Contribution)	Under HADP: 30% capital subsidy upto the subsidy limit of Rs 18 Lakh (25.71% of total Project cost) Under Intensive Poultry Development Program (IPDP): one time capital subsidy of 50% of the project cost with a maximum ceiling of Rs 200 per bird (upto Rs 20 Lakh) (28.57% of total project cost) The maximum subsidy shall not exceed 50% of the total project cost.
6	Beneficiary Contribution	50%; benefits under interest subvention can be availed under AHIDF
7	Financial Incentive	Nil
8	Documents required	For Individuals PAN details Aadhar Number; Address proof DPR including geo-tagged images of the project site Land details - location/ whether leased/owned/ documents Bank Account Details Certificate of training in poultry farming / Enrolment on Daksh Kisan
9	Convergence with CSS	Convergence allowed under AHIDF

Name of the Activity	Application for establishment of LIT Mother Unit
-----------------------------	---

S No	Clause	Stipulations
1	Eligibility	The minimum quantum of land required for availing of the incentive is 05 Kanals; there is no upper age limit and no gender restriction; no minimum educational qualification is required.
2	Who can Apply?	Individual / Group of Individuals/ New to Poultry or already in business/ SHGs/FPOs
3	Unit Cost	Rs 110 lakh [Rs 100 Lakh fixed capital (construction and equipment), Rs 10 Lakh Working Capital] 1000 Parent Stock + Hatchery + Feed mill and Brooding space
4	Maximum Project Cost	110 Lakh as per Action Plan (maximum subsidy limit of Rs 55 lakh and maximum credit limit of 55 Lakh, including margin money)
5	Percentage of Subsidy (Government Contribution)	Under HADP: 30% capital subsidy upto the subsidy limit of Rs 30 Lakh (27.27% of total project cost)
6	Beneficiary Contribution	50%
7	Financial Incentive	Nil

8	Documents required	For Individuals PAN details Aadhar Number; Address proof DPR including geo-tagged images of the project site Land details - location/ whether leased/owned/ documents Bank Account Details Certificate of training in poultry farming / Enrolment on Daksh Kisan
9	Convergence with CSS	Under National Livestock Mission (NLM): 50% capital subsidy upto the subsidy limit of Rs 25 Lakh (22.73% of total project cost) The maximum subsidy shall not exceed 50% of the total project cost.

Name of the Activity	Application for establishment of free range unit
----------------------	--

S No	Clause	Stipulations
------	--------	--------------

1	Eligibility	The minimum quantum of land required for availing of the incentive is 02 Kanals; there is no upper age limit and no gender restriction; no minimum educational qualification is required.
2	Who can Apply?	Individual / Group of Individuals/ New to Poultry or already in business/ SHGs/FPOs
3	Unit Cost	Rs 10 lakh [Rs 8 Lakh fixed capital (night shelter and equipment), Rs 2 Lakh Working Capital]
4	Maximum Project Cost	10 Lakh as per Action Plan (maximum subsidy limit of Rs 1.5 lakh and maximum credit limit of 8.5 Lakh, including margin money)
5	Percentage of Subsidy (Government Contribution)	Under HADP: Rs 1 Lakh for night shelter (10% of total project cost) Under Intensive Poultry Development Program (IPDP): one time capital subsidy of 50% of the project cost with a maximum ceiling of Rs 100 per bird (Rs 0.5 Lakh) (5% of total project cost)
6	Beneficiary Contribution	85%
7	Financial Incentive	Nil

8	Documents required	For Individuals PAN details Aadhar Number; Address proof DPR including geo-tagged images of the project site Land details - location/ whether leased/owned/ documents Bank Account Details Certificate of training in poultry farming / Enrolment on Daksh Kisan
9	Convergence with CSS	Nil

Name of the Activity	Application for Getting Assistance for FPOs
----------------------	---

S No	Clause	Stipulations
------	--------	--------------

1	Eligibility	Existing FPOs/FPOs formed under other schemes who want to diversify into poultry
2	Who can Apply?	Existing FPOs/FPOs formed under other schemes who want to diversify into poultry
3	Unit Cost	Not Applicable
4	Maximum Project Cost	No upper ceiling limit for availing credit
5	Percentage of Subsidy (Government Contribution)	Nil
6	Beneficiary Contribution	100%
7	Financial Incentive	Rs 5 lakh per FPO will be provided as working capital

8	Documents required	Details of FPO - Name, Year of establishment, Location, membership, turnover FPO registration document Signed list of FPO members PAN details Aadhar Number Project details Bank Account Details DPR in case of Bank assistance is sought
9	Convergence with CSS	Convergence under all CSS schemes and other schemes like HADP, IPDP etc

26. Technological Interventions for Fish seed and Trout production in UT of J&K

Purpose

- Promote, facilitate and secure long term development, conservation and utilization of State's Fisheries resources with focus on enhancing fish production and productivity.
- Increasing livelihood opportunities.
- Strengthening social security and welfare measures for fishing community.
- Facilitating improved post – harvest practices and value addition with market linkage.

Name of the Activity		Establishment of Fisheries units (Individual)
S No	Clause	Stipulations
1	Eligibility	J&K Domicile SC/ST/Women (if availing additional incentive)
2	Who can Apply?	Individual farmers
3	Unit Cost	Defined under financial incentive
4	Maximum Project Cost	Defined under financial incentive; no upper ceiling for availing credit
5	Percentage of Subsidy (Government Contribution)	50% for General and 60% for SC/ ST/ Women
6	Beneficiary Contribution	50% for General and 40% for SC/ ST/ Women
7	Financial Incentive	50% assistance of unit cost as per guidelines to General category & 60% to SC/ST/Women for the following activities: Establishment of trout fish hatcheries: 50% subsidy up to Rs 25 lakhs for general category and 60% assistance up to a maximum of Rs 30 lakh for SC/ST/women on a minimum of 1 acre of land Construction of raceways of min 50 cubic metres: 50% subsidy for general up to a maximum of 1.5 lakh and 60% for SC/ST/women up to a maximum of 1.8 lakhs. Inputs for trout rearing units: Rs 1.25 lakhs subsidy for general and Rs 1.5 lakhs subsidy for SC/ST/women Construction of new ponds: Rs 0.65 lakh subsidy for general and Rs 0.78 lakh for SC/ST/women Establishment of medium RAS for cold water fishery: Rs 12.5 lakh subsidy for general and Rs 15 for SC/ST/women Establishment of large RAS for cold water fisheries: Rs 25 lakh subsidy for general category and Rs 30 lakh for SC/ST women Establishment of small RAS with tank of 100 cubic metre capacity: Rs 3 lakh general and Rs 4.5 lakh subsidy for SC/ST/women Establishment of backyard mini RAS units: Rs 0.25 lakh for general and Rs 0.3 lakh subsidy SC/ST/women Establishment of small biofloc: Rs 3 lakh for general and Rs 4.5 lakh subsidy for SC/ST/women Fish field mills of 2 tonnes per day: Rs 15 lakh for general and Rs 18 lakh subsidy for SC/ST/women
8	Documents required	For Individuals: Land details - ownership, location, provision of water/electricity Land revenue documents PAN Card number Bank Account Details DPR in case of Bank assistance is sought Domicile Certificate Category Certificate (if SC/ST)

- Technology development for value addition.
- Better leveraging on the available technical resource base & knowhow.

Name of the Activity		Application for Assistance to FPOs dealing with aggregation, value processing and marketing for wool & pelt
S No	Clause	Stipulations
1	Eligibility	Sheep Breeders /FPO's/Cottage Industry/Exporters/Pelt Collectors /Furriers /Entrepreneurs/Startups. No specific eligibility criteria for this activity
2	Who can Apply?	Sheep Breeders /FPO's/Cottage Industry/Exporters/Pelt Collectors /Furriers /Entrepreneurs/Startups
3	Unit Cost	Rs. 5 Lakhs
4	Maximum Project Cost	No upper ceiling for availing credit
5	Percentage of Subsidy (Government Contribution)	100%
6	Beneficiary Contribution	0%
7	Financial Incentive	Financial assistance of 5.00 lakh
8	Documents required	Details of FPO/FIG/SIG - Name, Location, No. of Members, Registration No., Quantity of wool handled/ to be handled FPO/FIG/SIG registration certificate PAN Details Bank Account Details DPR in case of Bank assistance is sought
9	Convergence with CSS	Convergence allowed under eligible CSS scheme

28. Development of Fodder Resources for UT of J&K

Purpose

- Development & Promotion of Varieties with early maturity, climate resilience & high yield/biomass
- Validation & Adoption of Hi-tech hydroponics farming models Optimum land use in orchards
- Replenishment of forest ecosystem
- Rejuvenation / improvement of alpine/ subalpine pastures/ grasslands
- Entrepreneurship development and employability
- Farmers training and knowledge development (this will create a scope of narrowing down the fodder deficit even further)
- Self-sufficiency in Fodder sector will lead to strengthening of dairy farms and better returns

Name of the Activity		Fodder production through Varietal Demonstration Plots
S No	Clause	Stipulations
1	Eligibility	Farmers/ Growers having at least 5 Kanals of land (Agri Land or Orchards)
2	Who can Apply?	Farmers/ Growers
3	Unit Cost	Rs. 5000
4	Maximum Project Cost	-
5	Percentage of Subsidy (Government Contribution)	100% Incentive to farmers
6	Beneficiary Contribution	Nil
7	Financial Incentive	100% Incentive of Rs. 5000 Per Demo
8	Documents required	Address proof, Aadhar Number, Pan Number, Land Revenue Record, Bank Details, Geo tagged Photographs of location; Land documents
9	Convergence with CSS	-

Name of the Activity		Fodder production through Hybrid seed Kits
S No	Clause	Stipulations
1	Eligibility	Grower possessing minimum of One Kanal of Land (Agri Land or Orchards)
2	Who can Apply?	(Farmers, Agripreneurs, FPO's, Cooperatives, Agri-Startups)
3	Unit Cost	Rs. 300 /Kg of seed/ Demo
4	Maximum Project Cost	-
5	Percentage of Subsidy (Government Contribution)	100% Incentive to farmers
6	Beneficiary Contribution	Nil
7	Financial Incentive	100% Incentive in the form of seed Per Demo
8	Documents required	Address proof, Aadhar Number,Pan Number, Land Revenue Record, Bank Details, Geo tagged Photographs of location; Land documents
9	Convergence with CSS	-
<hr/>		
Name of the Activity		Fodder production / processing activity (Chaff Cutter/ reaper)
S No	Clause	Stipulations
1	Eligibility	Grower possessing minimum of One Kanal of Land (Agri Land or Orchards) / OR possessing Hay-Silage / other fodder processing Unit
2	Who can Apply?	(Farmers, Agripreneurs, FPO's, Cooperatives, Agri-Startups)
3	Unit Cost	Rs. 90000
4	Maximum Project Cost	No upper ceiling limit for availing credit
5	Percentage of Subsidy (Government Contribution)	50% Subsidy with a ceiling of Rs. 0.50 lakh per unit
6	Beneficiary Contribution	50%
7	Financial Incentive	50% for machinery purchase
8	Documents required	Address proof, Aadhar Number,Pan Number, Land Revenue Record, Bank Details, Geo tagged Photographs of location; Land documents/ Unit documents
9	Convergence with CSS	-
<hr/>		
Name of the Activity		Hydroponics
S No	Clause	Stipulations
1	Eligibility	Grower interested in Fodder production under hydroponics set up; Requires atleast Half Kanal of Land
2	Who can Apply?	(Farmers, Agripreneurs, FPO's, Cooperatives, Agri-Startups)
3	Unit Cost	5 Lakh
4	Maximum Project Cost	5 Lakh
5	Percentage of Subsidy (Government Contribution)	50% Subsidy with a ceiling of Rs. 2.50 lakh per unit
6	Beneficiary Contribution	50%
7	Financial Incentive	50% for establishment of Hydroponics unit
8	Documents required	Address proof, Aadhar Number,Pan Number, Land Revenue Record, Bank Details, Geo tagged Photographs of location; Land documents/ Unit documents
9	Convergence with CSS	-
<hr/>		
Name of the Activity		Establishment of Fodder Depots
S No	Clause	Stipulations
1	Eligibility	Grower interested in setting up Foder availability depot; Requires atleast a Storage structure which can store Approx. 100 tons of dry Fodder
2	Who can Apply?	(Farmers, Agripreneurs, FPO's, Cooperatives, Agri-Startups)
3	Unit Cost	20 to 25 lakh
4	Maximum Project Cost	20 to 25 lakh
5	Percentage of Subsidy (Government Contribution)	50% Subsidy with ceiling of Rs 10.00 lakh
6	Beneficiary Contribution	50%
7	Financial Incentive	50%

8	Documents required	Address proof Aadhar Number PAN Number Land Revenue Record Bank Details Geo tagged Photographs of location Land documents/ Unit documents
9	Convergence with CSS	Convergence allowed under AHIDF/ AIF
Name of the Activity		Establishment of Hay / Silage Unit
S No	Clause	Stipulations
1	Eligibility	Grower interested in setting up Foder Processing Unit
2	Who can Apply?	(Farmers, Agripreneurs, FPO's, Cooperatives, Agri-Startups)
3	Unit Cost	20 to 25 lakh
4	Maximum Project Cost	20 to 25 lakh
5	Percentage of Subsidy (Government Contribution)	50% Subsidy with ceiling of Rs 10.00 lakh
6	Beneficiary Contribution	50%
