PROGRESS UNDER RSETI

The Jammu & Kashmir Bank has set up 12 RSETIs within the J&K State on lines of RUDSETI (Rural Development and Self Employment Training Institutes). These institutes have been providing free of cost training on capacity building to the rural unemployed entrepreneurs in the SME sector (including industry related small business services sector) to take up self employment ventures.

RSETIs help the trained candidates in their settlement in business/self or wage employment through credit linkage or self- financing. The position of settlement of all the twelve RSETIs is given in the following table:-
