(Authorised Signatory)

ANNEXURE-III

Terms & Conditions

1.0 The tendering will be two Bid/attachment systems as under.

1.1 Technical bid (attachment I): -

Shall contain all the documents mentioned in Annexure I along with tender fee & EMD's/BG. This attachment I shall be marked as: "UPS AMC Tender Technical Cover"

1.2 Financial Bid (attachment II): -

Shall contain the prices of the offered services. The bid shall be marked as:

"UPS AMC Tender Financial Cover"

The companies shall be short listed on the basis of Technical evaluation, submission of all documents as per Annexure-I and conditions laid down therein or elsewhere in the tender document and the financial bid of only short listed companies shall be considered.

Prices quoted by bidders should be inclusive of all taxes.

2.0 The Bank is having UPS systems of make Liebert/Emerson, Eaton, Perpetual, Numeric, etc installed at its branches/offices/ATMs. The bidder has to undertake to provide the AMC to all of the brands/makes of the UPS systems. No conditional service providing shall be acceptable.

3.0 Service Level Agreement (SLA):

The selected vendor shall enter into SLA for the maintenance services and service levels, as per the draft attached as Annexure IV. Failure to enter into the mentioned Agreements shall result in the forfeiture of the Margin Money/EMD.

4.0 The time line for the receipt of the tender in normal conditions is 00-00-2026.

5.0 The tender is for empanelment of vendor/s & the Bank reserves the right to apply its discretion in division of work between the selected vendors. The Bank may also reject all or any of the tenders at its discretion without assigning any reasons whatsoever.

Special Terms & Conditions.

1. Bidders who are participating for the first time need to submit performance certificates from Institutions/departments where they have provided similar services. Bidders who don't submit such information will not be considered for evaluation.
2. Bidders should have an experience of having provided AMC of UPS systems or related services (minimum 2 years) in Banks or any other financial institution. Since the UPS systems installed in the Bank are of various makes/brands, bidders shall have to provide services to all types of UPS systems.
3. The firm tendering for AMC of UPS systems should have an annual turnover of Rs.50.00 lacs for similar works for each of the last three financial years, documentary proof of which has to be submitted along with the bid.
4. The bidders shall indicate the authorized signatory who can discuss and correspond with the Bank with regard to obligation under the contract. The said representative should have a Power of Attorney from the company for taking any decision regarding the tenders on behalf of the company.
5. Bidders whose bids are found responsive after technical & financial evaluation and complete in all respects for award have to enter into agreement with J & K Bank for a minimum period of two years. There shall not be any escalation in rates due to impact of any internal factors like loss to the firm, disputes in partnership, market conditions etc. However the impact of taxes on the basic service cost would be considered after proper representation of the vendor passed on to the Bank.
6. The Bidder shall have/provide Office Coordinator an Escalation matrix/ for lodging of complaints. The vendor shall ensure that sufficient technical support is available across all the sites/zone of the Bank.
7. Courts of Mumbai only will have jurisdiction in case any dispute arises out of the contract.
8. Bidders must have sufficient quantity of spares/stand by UPS / testing tools/ components available at service centers which will be verified by bank team as & when required so that no site of the BANK remains down.
9. The firm shall submit a BG equivalent to 5% of total project cost/order value for period of 2 yrs. Before issue of LOA.

ANNEXURE IV

SERVICE LEVEL AGREEMENT

This Agreement is executed at on this the.....day of2026 between "The Jammu and Kashmir Bank Ltd", a Banking Company under Indian Companies Act 2013 having its registered and Corporate office at M A Road, Srinagar Jammu and Kashmir 190001 AND Zonal Office at.....(Herein after referred to as the Bank, which term or expression shall unless excluded by or repugnant to the subject or context, mean and include its successor (s) in-interest and permitted assignees) of the One Part.

"M/s -----registered as -----having its Registered Office at ----- (herein after referred to as the "Company" which term or expression shall unless excluded by or repugnant to the subject or Context, mean and include its successor (s) in interest and permitted assignees) of the Second Part, which expressions shall be deemed to mean and include the representatives, successor (s)- in interest, nominees, administrators and assigns etc. of the parties to this agreement. The Bank and the Company shall hereinafter be referred to as "Parties" and the individually as "Party".

Whereas, The Bank issued a tender dated ____for empanelling the entities for carrying out the Annual Maintenance Contract (AMC) services for online UPS Systems installed in Business Units, ATM's and offices of the Bank under Zonal Office Mumbai.

Pursuant to said tendering process, if the company was empanelled by the Bank, and was awarded the AMC services vide letter No ____to the Company.

The parties herein agreed to reproduce in writing the terms and conditions governing the process of AMC services of UPS systems and its accessories in the form of legally expressible documents herein referred to as Agreement.

NOW, THEREFORE THIS AGREEMENT WITNESSETH AS FOLLOWS

1) SCOPE

The SLA shall apply to the AMC of UPS systems installed in all the branches, Offices and ATMs of the Bank under Zonal Office Mumbai, whose warranty has already expired.

2) DEFINITIONS

"Response Time" shall mean the interval from receipt of first information from "Bank" to "Company" by any means of communication informing them of the malfunction in UPS to the time "Company" Engineer reaches the site.

“Repair Time” shall mean the period from the time “Company” Engineer gains access to the UPS to the time the UPS is restored to the normal working conditions. The “Company” shall demonstrate such restoration to the concerned officer/official at the site.

“Down Time” shall mean the interval between the times of reporting of failure to the time of completion of repair. Down Time is the sum of response time and repair time with the following exclusions:

- * Period when “BANK” denies access to the UPS to the Engineer from “Company”, within the scheduled working hours of the “BANK”.
- * Period when “BANK” denies access to the “Company” Engineer due to the non-availability of authorized “BANK” staff during the scheduled hours.
- * Period when no malfunction is located provided the reasons for non-functionality are beyond the scope of the machine as demonstrated.

The “Company” has to attend the calls within reasonable timings convenient to the “Bank”. For the timings beyond scheduled working hours, a request needs to be made to the “Bank” for allowing the entry. The down time of the UPS, shall be the period the machine remains off due to the “breakdown” problem.

3) PERCENTAGE DOWN TIME

Shall mean the aggregate of downtime of the particular UPS System during the year expressed as a percentage of total available time in a year i.e. 365×24 hours. Thus, if the aggregate downtime of a UPS works out to 87.6 hours during a year then the percentage downtime shall be calculated as follows:

$$87.6 \times 100$$

$$\text{-----} = 1.0\%$$

$$365 \times 24$$

4) DURATION OF SLA

The agreement shall be valid for a period of 2 years from the date of execution of this agreement. The Bank shall be within its rights to terminate the agreement at any earlier date for any reason whatsoever by giving notice in writing to the Company. The termination in such case shall be effective from the date mentioned in notice.

5) MAINTENANCE SERVICE DEFINITION

“Company” agrees to provide the following services under the SLA to keep the UPS in good working order:-

- I. Unscheduled on call remedial maintenance for repairing malfunctions including replacement of parts.
- II. Scheduled Preventive Maintenance once in a quarter to ensure the health of the UPS System for indicated functionalities and may involve replacement of parts found damaged or likely to result in the problem in the functioning of UPS system.
- III. The replaced parts will be new or equivalent to new parts in performance. Subject to existence of any other Agreement between the parties to the contrary, maintenance will not, cover repairing defects in the UPS system arising out of misuse, abuse, neglect, improper handling and damages caused by accidents or repairs carried out by personnel other than the authorized personnel of “Company”. In such cases “Bank” shall place orders for the repairs and/or spares whatever required, which shall be provided by the “Company”. The “Company” shall take minimum reasonable time for examination and assessing the damages and shall inform the “Bank” subsequently after attending the call. The call shall be treated as normal call for rectification and down time.

6) PRE-EMPTIVE MAINTENANCE

Pre-emptive Maintenance shall be provided to ensure that the UPS is maintained in good operating condition as per the UPS Performance Specifications during the term of the Agreement, and includes the provision of labour, service parts and travelling time as deemed necessary by “Company” at no extra charges to the “Bank”.

- i) The pre-emptive maintenance shall be at least once in a quarter basis. In exceptional cases, the “Company” shall determine the frequency and duration of Pre-emptive Maintenance where it is required more than once in accordance with the UPS Specifications.
- ii) The pre-emptive maintenance & support to the UPS systems shall include checking the health of all the components of the UPS system including batteries attached therewith for prescribed performance including the scheduled /agreed backup support & shall enumerate the steps taken /required to be taken by each party for the stated performance of the system.
- iii) During pre-emptive maintenance the “Company” shall replace the system components as per the prescribed schedule for wear and tear and other usage factors if any.
- iv) The “Company” shall coordinate in advance with the concerned officers/ officials of the concerned site for the suitable day and time for such pre-emptive maintenance.

7) HOURS OF SERVICE

“Company” shall provide 24-hour service 7 days a week at the sites where the UPS is installed. The service call would be logged at the service centre or at mobile numbers provided by the Company. The “Company” shall also keep all the modes of communication like Phone / Mobile Phone/E-mail available

e-RFP Ref. No.JKB/E&GD/Empanelment-Vendor-UPS/2026-1825
Dated:31-07-2026

to its service Engineers & other field staff & all its offices, & convey the same to the “Bank”, within one week of signing of this Agreement. Attested copies of photo ids of all the concerned engineers,

authorized persons responsible for the implementation of this Agreement at various levels shall be produced by them at the time of visit to the concerned site for the maintenance purpose.

The escalation matrix for the calls unattended or for other service issues shall be indicated.

8) MAINTENANCE OF SERVICE LEVELS

i) “Company” agrees that the provision of timely and excellent service to “Bank” is the essence of this contract. To this end “Company” shall ensure that the percentage down time of the UPS shall not exceed 1.0% as calculated over a year.

ii) The “Company” shall provide repair and maintenance service, in response to any one or all of the oral, telephonic, mobile, written, e-mail or postal mail notice by “BANK” through its own service personnel, wherever the UPS are installed and the services shall be made available by the “Company” as under:

a) The “Company” shall attend the support call immediately on receipt of complaint from the concerned site by any or all the means of communication mentioned. The response time for attending the complaint shall be 1 hour in city limits. For all calls beyond city limits, the above time frames shall be maintained after excluding travel and transit time. However, the response time mentioned as such shall be without prejudice to the obligations of the “Company” to establish fully manned and equipped Service Support Centres at the concerned stations as per the Original Agreement or subsequent Agreements. In case of failure on the part of “Company” to abide by the stipulated reporting timings, the “Bank” shall have the right to arrange for the repairs itself to make the UPS system, functional at the cost, risk and responsibility of the “Company” and the “Company” shall be liable to reimburse such repair charges to “Bank”.

b) In the event of non-resolution of the call within the above specified time frames, a standby UPS system shall be provided (within maximum of 24 hours) by the Company to the Bank.

c) The Call Report mentioning the purpose of visit, Call No, Time of call logged, Rectification done, Time the UPS system is brought up, Total Down Time etc. shall be prepared and signed and stamped by the “Company” Engineer duly verified by the Branch/system/ Office in Charge under seal and stamp with name and code No. One copy of the Call Report (original) so prepared shall be handed over to Branch Manager along with the invoice for AMC Payment and another copy forwarded to concerned Zonal office. The Call Reports shall be clear and legible and in understandable English language only.

d) The existing specific site wise call escalation matrix along with names, designations, all contact details like Mobile, Telephone, e-mail etc. shall be provided by the Company. The “Company” shall keep the “Bank” updated about all the periodical changes due to transfers, postings etc of the concerned persons in the matrix.

9) RELOCATION AND SHIFTING

The relocation/ shifting of the UPS Systems involving vehicular transportation shall be done by the “Bank” at its own cost. However, Company shall supervise the de-installation and packing at the original

site and reinstallation at the new sites free of cost. The UPS Systems shall continue to remain within the scope of warranty / AMC for the transit period.

10) ACCESS

“Bank” shall provide full and free access to the UPS to the authorized personnel of “Company” during working hours. In case the “Company’s” personal require access for any breakdown call after working hours, the company shall make a request on phone or by any other means for such access to the concerned person at the site.

11) DOCUMENTS

The “Company” shall submit the following documents along with the invoices, where the maintenance arrangements post installation is agreed at cost.

- i) Reports showing the calls received for rectification of faults, with down time details.
- ii) Report showing the details of pre-emptive maintenance done during the quarter along with the part replacement at each UPS.
- iii) Pre-emptive call reports properly signed and stamped by “Company” and Branch officials.
- iv) Up to date call logging and escalation matrix.

12) PENALTIES

- a) Penalties shall be imposed in case of total uptime of UPS during the contract period is less than the committed uptime i.e. 99%. For every fall of 1% in the uptime, the bank shall deduct 5% of AMC payment payable. In case of any prolonged downtime of the machine, bank shall have the discretion of engaging any other alternate vendor for rectification of the fault at the sole risk, cost and responsibility of the AMC vendor.
- b) The Company hereby agrees and undertakes to Indemnify the Bank and keep it indemnified against any loss, damages suffered and claims, actions /suits brought against the Bank on account of any act or omission on part of the vendor, its agent, representative, employees and sub-contractors.
- c) The Company hereby undertakes to defend and indemnify the Bank at its own expenses against all third party claims and extinguish same expeditiously. In case Bank is required to pay compensation to a third party resulting from such infringement /act/omission, the Company shall be fully responsible to pay such compensation along with all costs damages including the attorney fees and other expenses that a court may finally award.
- d) In the event Company fails to fulfill its obligations under this clause within the notice period issued by Bank, the Bank shall be entitled to recover the amounts due it under this provision from invocation

of the any amounts payable to the vendor under this arrangement without prejudice to other rights and remedies available to Bank for recovery of the amount as per law.

13) Arbitration and jurisdiction

In case of any dispute, differences, claims and questions between the parties hereto arising out of the agreement or in any way relating hereto or any term, condition, provision, herein mentioned or the construction or interpretation thereof or otherwise in relation hereto, the parties shall first endeavour to settle such differences, disputes, claims or questions by friendly consultation and failing such settlement, the same shall be referred to the arbitration of the two arbitrators. Each party will appoint an Arbitrator within 30 days of the receipt by a party of the other party's request to intimate other party's arbitration. The two arbitrators so appointed will then jointly appoint a third arbitrator within 30 days of appointment of the second arbitrator, which third will act as a chairman of the tribunal. Arbitrators not appointed within the time limit set forth in the preceding sentence shall be appointed in accordance with the Arbitration and Conciliation Act, 1996. The arbitration shall be held in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof for the time being in force and shall be held in Mumbai (India) and conducted in English language.

The award of the arbitrator shall be final conclusive and binding upon the parties hereto as an award of Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof for the time being in force. Each party will bear the expenses/costs incurred by it in appointing the arbitrator. However the cost of appointing the Chairman shall be borne equally by both the parties.

14) Amendments:

Any provision of this Agreement may be amended or waived if and only if such amendment or waiver is in writing and signed, in case of amendment by each party, or in case of waiver, by the party against whom the waiver is to be effective.

15) Notices:

Unless otherwise provided herein, all notices or other communications under or in connection with this agreement shall be given in writing and may be sent by personal delivery or post or courier or facsimile or the address. Any such notice or other communication will be deemed to be effective if sent by personal delivery, when delivered, if sent by post, three day after being deposited in the post and if sent by courier, two days after being deposited with the courier, and if sent by facsimile, when sent (on receipt of a confirmation to the correct facsimile number).

16) The invalidity or unenforceability of this agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of the agreement in such jurisdiction or the validity, legality or enforceability of this agreement, including any such provision, in any other jurisdiction, it

being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

17) This agreement is on principal-to-principal basis between the parties hereto. Nothing contained in this agreement shall be construed or deemed to create any association, partnership, or joint venture or employer-employee relationship or principal-agent relationship in any manner whatsoever between the parties.

18) This agreement has been signed in duplicate, each of which shall be deemed to be original.

19) Scope of Work

A. The supplier shall accept full responsibility for the immediate rectification of any type of fault with the UPS system within a minimum, reasonable time frame.

B. In case the UPS is not repairable within a short duration, Vendor shall arrange a spare UPS of Equivalent Capacity and in no case, UPS of lower capacity shall be provided as standby. The original UPS has to be returned duly rectified in the next visit. No additional rent or any charges shall be payable for the same. In case of critical sites a standby arrangement should be available at the site to avoid downtime.

C. In addition to the breakdown visits to branches (Any number of times as required), the vendor shall undertake regular maintenance (PM visits) to all the sites on quarterly basis.

D. Preventive Maintenance shall include the checking of UPS, UPS accessories like, TVSS/SPD, external charger, checking of critical parameters, Battery Backup/Battery health condition and the vendor shall also carry out the cleaning/dusting of the UPS internally/externally through suitable means i.e. blower/vacuum cleaner etc. The same shall have to be incorporated in the service report and duly counter signed by the Branch Head/Incharge/System Incharge.

E. Any addition / removal of UPS systems shall be made at the already approved rates and terms/conditions

Penalty

Penalties shall be imposed in case total uptime of individual UPS system falls below 99% during the year. For every fall of 1% in uptime, the Bank shall deduct 5% of AMC payment payable. In

case of any prolonged down time of the machine, Bank shall have the discretion of engaging any other alternate vendor for rectification of the fault at the sole risk, cost and responsibility of AMC vendor.

Sufficiency of quoted price.

A. The vendor shall be deemed to have satisfied himself as to the correctness and sufficiency of the quoted price. The rates shall cover all his obligations under the order and all matters and things necessary for the proper execution of AMC job.

B. No price variations shall be allowed for any rise in cost of labour, materials or any other factors influencing the basic AMC cost. However any variations i.e. increase or decrease in taxes during the contract period shall be incorporated in the total AMC cost.

C. AMC rate quoted shall be inclusive of all applicable taxes, duties etc.

D. The AMC Vendor shall be responsible for any re-installation of the UPS systems at different locations on the instructions of the concerned zone without any additional cost (installation charges). However the transportation charges shall be paid by the Bank for such shifting.

E. The vendor shall make special arrangements of man power/spare parts during festivals, holidays so that no UPS remains down during the said period.

F. Conditional tenders shall be rejected out rightly.

G. Before quoting, the tenderer may visit the sites to ascertain the existing status of UPS systems.

H. Bank reserves the right to carryout reverse auction at any stage during finalization of the tender.

Payments:

Payment for the AMC shall be released quarterly by the Business units/Office only after submission of satisfactory service reports (Preventive Maintenance Reports) for each branch/ATM/Site. Kindly note that the quarterly reports have to be obtained for each site under AMC for release of payment, so as to ensure that all the sites have been properly attended and serviced. For effecting the AMC payments, Quarterly Invoice alongwith the FSR's (SERVICE REPORTS) should be submitted by 15TH day of 1st month of the next quarter.

Validity:

The tender shall remain valid for a period of two years from the issue of letter of award or till the discretion of the bank.

All Terms and Conditions accepted.
